THE 1967 BULLDOG

Published by the Students of South Carolina State College

ORANGEBURG, SOUTH CAROLINA

Dedication To

MR. IRA B. DAVIS

It was in 1953 that you came to South Carolina State College to teach English. You brought with you the qualifications for a successful career here: a B.A. and a M.A. degree in English earned, respectively, at Howard and Pennsylvania State Universities; a winning personality; varied experiences in educational work and travel; and a desire to execute your responsibilities with diligence, sincerity, and perfection.

As a teacher, you have etched your image in the hearts and minds of your students and colleagues. They admire you because of the profound knowledge you possess, of the subjects you teach, your honesty to your students, and your insistence on quality performance.

Also, everyone holds you in great esteem because of the assiduous and meticulous care with which you have "captured" and preserved, in pictures and words, the tradition, growth, and development of State College in the BULLDOG, of which you have served as adviser for more than a decade.

Throughout these years, the BULLDOG staff remembers the many hours of the day, night, and weekends you spent supervising photography, writing articles, organizing materials, running down staff members, and making trips via your *Volkswagen* to solicit advertisements and to take care of other details for the yearbook. The staff also remembers the times you spent sandwiching the grading of themes from your English classes between the editing of write-ups for publication in the BULLDOG.

There were times when you were severely critical and fussy. Typically, you would say, "This write-up is too long." "Dr. Hasbeen apparently didn't edit this article," "Blank

fraternity's pictures are late again." "Jerrie Sue's dressed to gaudily to take a picture," etc. But throughout all of these situations you, somehow, managed to flash a smile.

We, your staff members, appreciate your critical eye and painstaking care, for without these the yearbook would not have merited the praise from its many viewers; nor would it have received such outstanding recognition as a First Class Honor Rating by the Associated Collegiate Press of the University of Minnesota for the past ten years, or the coveted top honors with ratings of "Superior" awarded by the Annual Southern Regional School Press Institute of Savannah, Georgia, for the past three years.

In spite of these attestations of your outstanding work, today you undoubtedly would name someone else as the person who deserves the honor of which you are now the recipient. We agree with you that others are deserving, but we think you have merited this distinction too long to hold it in abeyance until a later time.

Always cognizant of your extreme modesty, we proceeded in secrecy and sometimes with difficulty in advancing our choice—a choice we feel has the unanimous endorsement of the State College family—so that we would be able to extend to you an encomium which you truly earned and which, being aware, you would have denied yourself.

You have done far more than to "capture" in pictures and words the tradition, growth, and development of a great institution; you have captured our hearts and have won our enduring respect. It is therefore with pride and gratitude that we dedicate to you, Mr. Ira B. Davis, our adviser, the 1967 edition of the BULLDOG.

Prologue

Time marches on, and the academic year of 1966-67 has become history. But for you, its major events have been recorded in this book, the BULLDOG.

The year 1966-67—what was it like? It was like no other year. There were the incidents. There was registration. Who can forget it! State beat Florida at the first football game. What a thrill! State beat them again at the first basketball game. Goodness gracious! There was the anxiety when the probation and failure rumors were being circulated. Was your name on the list? There was the engagement ring tenderly and lovingly slipped on the finger or the promises carelessly and cruelly broken. Yes, yes, there were incidents.

There were the places. There was that room in Turner Hall where that important examination was flunked, or the lab in Hodge where the experiment that had baffled everyone else was performed. There was White Hall Auditorium where you spent many an hour against your will or the Student Center where you spent many hours and loved every one. There was that special bench on Center Court, that nook in the library, or that certain hide-a-way on campus. Indeed there were places, some of them having a special meaning to you.

But most of all there were faces, many faces. Faces of teachers, students, friends, enemies. And there was that special face, THE face. Where now are these faces; where now is THE face?

In the silence of the day, in the stillness of the night, as the rain patters on the window pane, when magnolia enfolds you like a blanket of dew, reach for the BULLDOG, turn its pages, and you will again be in the places and with the faces you knew in 1966-67. Only in this way can you stop the march of time.

ADMINISTRATION

Board of Trustees

GOVERNOR ROBERT E. McNAIR, *Ex-Officio Chairman*

ATTORNEY BRUCE W. WHITE, Union, *Chairman*

MR. W. C. BETHEA, Orangeburg

DR. J. A. BOYKIN, Lancaster

MR. ELLIOTT ELAM, North Augusta, *Secretary*

MR. C. A. JONES, Moncks Corner

DR. HOWARD ROYAL, Aiken

MR. I. P. STANBACK, Columbia

MR. W. FELIX WHEELER, Columbia

Board of Visitors

Seated: Mr. C. C. Woodson, Spartanburg; Mr. Spencer Disher, Darlington; Mr. H. A. DeCosta, Darlington; President, B. C. Turner.
Standing: Mr. B. J. Sanders, Greenwood; Mr. W. E. Solomon, Columbia; Mr. A. A. Allston, Darlington, Chairman.

DR. BENNER CRESWELL TURNER, President
B.A., LL.B., Harvard University
LL.D., Allen University

Mr. M. Maceo Nance, Jr.

Business Manager

With traveling and sitting on important committees taking up much of his time, the Business Manager leads a rather hectic life. He also finds time to be a devoted family man; however, he was somewhat shocked one day to discover that "little" Maceo, Jr. was not little anymore. Mr. Nance is a graduate of State College and New York University.

Mr. Henry N. Vincent

Dean of Students

Dean Vincent has settled down in his new position and has moved into his elegantly appointed quarters. Encased in these luxurious surroundings he seldom has a peaceful moment as the many problems of the students, both real and imagined, find their way to his desk. He was educated at State College and The Atlanta School of Social Work.

Mrs. Viola M. Donma
Bursar

A graduate of State College, Mrs. Donma remains her gracious self as she goes about the business of being all-business. Like fine wine, a Stradivarius violin, or a meerschaum pipe, she and her 1955 Dodge seem to improve with age.

Miss Mamie Thompson
Dean of Women

In August, at the opening of school, when Dean Thompson was assailed by the many parents who demanded non-existent rooms for their darling daughters, she was horrified to reach up and pluck a grey hair. Now that Williams Hall is opened, the strand has turned black again—until next year. Miss Thompson is an alumnae of State College and Temple University.

Mr. Oscar P. Butler
Dean of Men

Dean Butler, who earned both the bachelors and masters degree from State College continues to find his position challenging. It is so challenging at times that it becomes frustrating and he wonders whether his duties are to advise, drive, or deprive. Youth, he has optimistically decided, must have his day.

Mrs. Edith Vaughn
Registrar

Mrs. Vaughn and her staff worked hard and planned a very successful registration for the winter semester. In spite of Mrs. Vaughn's unfortunate accident, the plan worked quite satisfactorily, to everyone's pleasure. But the great question is, "What happened to the August registration?" Mrs. Vaughn is a graduate of State College and New York University.

*Mr. T. J. Crawford
Director of Public Relations
and
Associate Professor of Chemistry*

That great sports fan T. J. the perennial announcer at all home football games, a graduate of State and Cornell, received the thrill of his life when he was able to yell out that State had beaten Florida A. & M. Announce it again next year.

*Miss Barbara Williams
Head Librarian*

Miss Williams, a graduate of Bennett College and the University of Illinois, reacts with a gleam in her eyes as she observes every new building on the campus. Our reporters tell us she is busy making book lists, selecting color schemes, and mentally ordering furniture for the new library which she hopes will appear soon.

*Mr. Oliver C. Dawson
Director of Athletics
and
Professor of Physical Education*

After many years away from his first love, Coach Dawson is again Director of Athletics. While he performs his new duties in addition to activities as coordinator of Teacher Education, he is taking his Athletic duties in stride as only the old Pro can do. Interestingly enough, his wife, Gracia, seems to be enjoying his new position as much as he. Coach is a State College and New York University graduate.

*The Reverend Warren M. Jenkins
Chaplain*

A graduate of Claflin College, Gammon Theological Seminary and Drew University, The Reverend Jenkins is again serving as Chaplain of the College. He has found that the multiple problems faced by the students have caused him to become involved with secular as well as religious problems. In many instances, he has felt he should be a psychiatrist.

Mr. Dudley M. Zimmerman

Superintendent of Buildings and Grounds

Our buildings and grounds expert, a State grad, has supervised the opening of one building and is keeping a watchful eye over the construction of two others. During this busy interval he was hoping that his pipes and bolts would behave, but that was not to be. The Student Center pipes acted up, causing the Snack Bar to be closed one week-end. And will the students remember that Sunday night! By the way, Mrs. Zimmerman is under control.

Mr. Leo L. Kerford

Director, Financial Aid to Students

An alumnus of the University of Iowa and the University of Kansas, the attorney, former Dean of the closed Law School, is still with us. He is now the "money lender." If rumor be true, the government's funds are in excellent hands, especially if he takes as good care of Uncle Sam's funds as he does of his own.

Dr. James C. Shecut, M.D.

College Physician

Dr. Shecut a graduate of the Medical College at Charleston, has again been seen at all the home football games, prepared to give aid to the injured. His 8:30 A.M. sessions at Brooks Infirmary are quite popular, especially with students who oversleep early morning classes. A switch from the State College pills to the old fashion remedy, a dose of castor oil just might decrease the Infirmary attendance and increase class attendance.

Mrs. Ida M. Dash, R.N.

Head Nurse

The Head Angel of Mercy, a graduate of the South Carolina State Hospital, with her soft voice and gentle manner, inspires trust and gives hope to the ill and the would-be ill. Her duties often demand that she minister the mind, the spirit, and the body. To her come the love sick, the exam sick, the grade sick, and, often, the body sick. Many times she is nurse; often she is mother.

Mr. Robert S. Evans
Director, Boarding Department

A State College graduate, Mr. Evans finds it quite amusing that in spite of the constant complaints that reach his ear, his "department" is the best attended one on campus. Students rarely miss his sessions, the doors are never permitted to close, and holidays are always work days with him. If one observes closely, students often rush to his doors before they open.

Dr. Robert Hurst
Director of Admissions
and
Professor of Agricultural Economics

After a year's absence from the College, during which time he was on leave with the government, Dr. Hurst is back in the Burg again enjoying his little estate in Parlerdale and his periodic hunting trips. Possibly, the big city was too much for this lover of the wide-open spaces. He is a graduate of the Universities of Tennessee, Missouri and Minnesota.

Mr. Raymond Gaffney
Director, Student Center

The retired Major from the U. S. Army is busy adjusting to the task of becoming a civilian again; meanwhile, his elder son, following in his father's footsteps decided to join the Armed Forces. We understand that his letters home indicate that duty in Viet Nam is causing him to decide to depart from the Army before retirement. The Major is a State College grad.

Distinguished Military Students

A Distinguished Military Student is selected after a careful and thorough consideration of R.O.T.C. students who possess outstanding qualities of leadership, who have high moral character, and who have demonstrated definite aptitudes for the Military Service. Such a student must have attained a class standing in the upper third of his R.O.T.C. class in the Advanced Course of Military Science.

Dr. Lewie C. Roache, Chairman of the Department of Natural Sciences, pins the DMS medal on Cadet Carl I. Terry, 1st Battalion S-3.

To the Class of 1967

This yearbook recalls the outstanding events and constitutes a record of another year in the history of South Carolina State College. It is of unique importance to you because it contains a priceless record of those years which marked the transitional period for you from adolescence to the status of adult men and women. At no time in the future will all of the members of your class ever gather again as they will be in this permanent record of your college days, but here you will always be able to turn back the hands of time and relive once again those days for which the passing years will make you feel an increasing devotion and affection.

You attend college during times of great sensitivity, and in an era of rapid and sweeping changes. The challenges of the years ahead will be severe but will be well balanced by the golden opportunities that are now yours to participate in, and to enjoy the benefits of these changes. We are confident that you will do well and that your mark upon the pages of history will be a good one and that both you and your college can be mutually proud of your achievements.

The College extends to all of you congratulations and best wishes. To the members of the Yearbook staff we express appreciation for a task so ably and willingly performed. With every wish for your success and happiness in the days ahead.

Sincerely yours,

B. C. TURNER,
President.

ACADEMICS

In Memoriam

*Mr. Goler L. Collins
Director of Guidance and
Student Personnel
and Associate Professor
of Education*

*I weep for Adonais—he is dead!
Oh weep for Adonais! though our tears
Thaw not the frost which binds so dear a head!
Oh, weep for Adonais—he is dead!
Wake, melancholy Mother, wake and weep!
Yet wherefore? Quench within their burning bed
The fiery tears, and let thy loud heart keep
Like his, a mute and uncomplaining sleep!*

*Peace, peace! he is not dead, he doth not sleep—
He has awakened from the dream of life—
He lives, he wakes—'tis Death is dead, not he;
Mourn not for Adonais—Thou young Dawn,
Turn all thy dew to splendor, for from thee
The spirit thou lamented is not gone;*

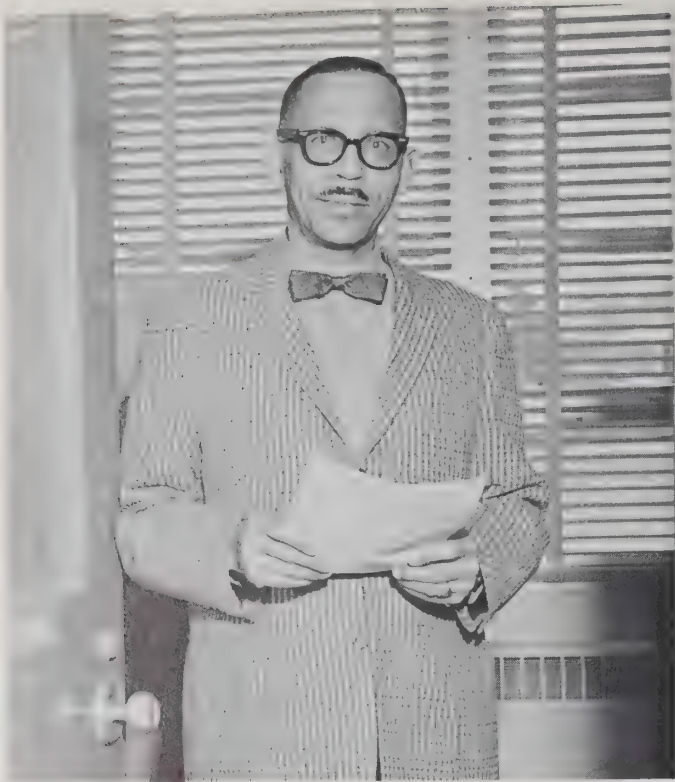

*He is made one with Nature. There is heard
His voice in all her music, from the mourn
Of thunder, to the song of night's sweet bird;
His is a presence to be felt and known
In darkness and in light, from herb and stone,
Spreading itself where'er that Power may move
Which hath withdrawn his being to its own;
The soul of Adonais, like a star,
Beacons from the abode where the Eternal are.*

—Digest of "Adonais" by Shelley.

School of Education

The entire college was frightened when the esteemed dean of the School of Education suffered a heart attack prior to the opening of school. Everyone was happy when he recovered, for the Dean and the School of Education are very important parts of the college. No one can disclaim the fact that most of the graduates eventually find their way into a classroom. With this in mind, the faculty and staff are constantly studying the needs of teachers in their preliminary preparation and in-service development.

Bold new programs have been instituted to meet the identified needs. Some of these are: (1) A new graduate program to train liberal arts graduates to teach urban disadvantaged youth. (2) The development of a major in psychology. (3) A new graduate program for the training of teachers of the mentally retarded and an undergraduate minor in this same area. Two of our graduating seniors this year received scholarships of \$1,600 each for pursuing the curriculum in special education. (4) The development of a minor in reading.

The School of Education is elated over the honor of being the sole institution in South Carolina for training teachers for the National Teacher Corps and for Teachers of Urban Disadvantaged Youth.

The following faculty members served on a panel at the Leadership Institute, held at Mattie Pegues Camp in September: Leo Kerford, Dr. Robert Hurst, President B. C. Turner, Mr. M. Maceo Nance, Mr. Henry N. Vincent, and Dr. Algernon S. Belcher.

Education and Psychology

The American educational system has been the subject of major concern to Americans throughout our national history. In each generation, new educational methods designed to achieve sought and new educational concern for education, which, to some extent, is replacing a purely, regional one. The Federal Governments aid to Education indicates such a concern. This trend, however, demands the training of teachers who are intellectually capable, who have broad backgrounds, and who possess moral character. To this end, the Department of Education and Psychology is dedicating itself without equivocation.

The Department of Education and Psychology was formerly headed by the Dean of the School of Education. At the beginning of the 1964-1965 school year, Dr. Leroy Anderson was promoted to the chairmanship. The department offers majors in elementary education and minors in special education and psychology. It also offers graduate majors in elementary education and guidance.

There are nine regular staff members and approximately fourteen staff members during the summer session. Of the regular staff members, five hold academic doctorates.

This department is concerned with the teaching of all professional educational courses on the campus. The offices of the Director and Associate Director of Teacher Training are also in this department.

Felton Laboratory School

Presently, the school is engaged in three research projects, one of which involves five culturally disadvantaged children. These pupils are recipients of scholarships sponsored by the School of Education, of which Felton is a part, and the Parent-Teacher Association.

The results of our endeavors have been exemplified nationally as well as statewide and locally. The school is proud to boast two national honors and several state awards received during the 1965-1966 school year. One Felton pupil won a national award for art and design at the 1966 National High School Art Exhibition in New York. The linoleum block print which won the award was used to announce the 1967 Scholastic Art Awards Program sponsored by Scholastic Magazines, Inc. Appearing in the VEC News Program, a newspaper periodical and filmstrip used by many schools throughout the nation, was a cartoon by another Felton pupil who portrayed the first Negro to become a major league coach, namely Bill Russell of the Boston Celtics.

On the state level the school received recognition at the Regional Exhibition of Scholastic Art Awards for producing more winners than any other school in South Carolina. In the Tenth Annual Palmetto Science Fair held at South Carolina State College in March 1966, first and third place awards were received for the entries "A Homemade Cloud Chamber" and "Dicot and Monocot Seed Growth."

With gratitude and pride for the awards and citations received during the 1965-1966 school year, the faculty thought it fitting to honor those pupils who were responsible for our "banner" year at a testimonial tea given during the 1966 American Education Week. Also honored at this time were pupils with highest academic averages and outstanding parents.

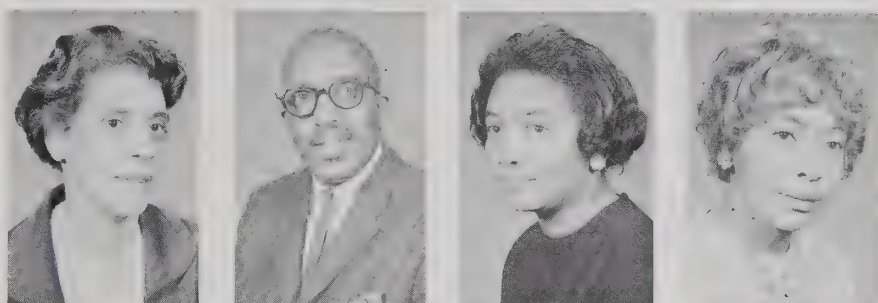

Pupils, teachers, and visitors viewed the exhibits at the first Science Fair sponsored by the Felton Laboratory School.

Library Service

The Department of Library Service is one of four departments in the School of Education. Departmental activities, both curricular and extracurricular, involve our library service majors and minors, in-service librarians, the staff, and high school student library assistants.

Under the sponsorship of the Department, Library Service Club activities have ranged from purely intellectual pursuits to the latest dance craze. Examples of these two extremes are the Assembly Program on January 27, 1967, for which Colonel James M. Hillard, Librarian at the Citadel, served as speaker and the Dance Contest, a feature of the Benefit Dance sponsored by the Library Service Club. A library service major, Miss Rosetta Monroe, and her partner were runners-up with the buggaloo. Or was it the rink-a-dink? With Miss Kathleen Butler as President and Miss Lou Amye Coleman reigning as "Miss L.S. Club," the Library Service Club has had a good year.

During the 1966 Summer session, the Department co-sponsored one of the thirty-two NDEA Institutes for School Library Personnel. A follow-up study is planned by the ex-Director, Mrs. Middleton. A Workshop on the Organization of Materials, designed for in-service and prospective librarians, is scheduled for the ensuing summer session. Mrs. Rossie B. Caldwell is to serve as Director. At the present time, Mrs. Caldwell is involved with a research project which concerns procedures for teaching the use of selected reference tools.

For six consecutive years, the Department has served as host for the annual meeting of the Student Library Assistants' Association, a state-wide organization of high school student library assistants.

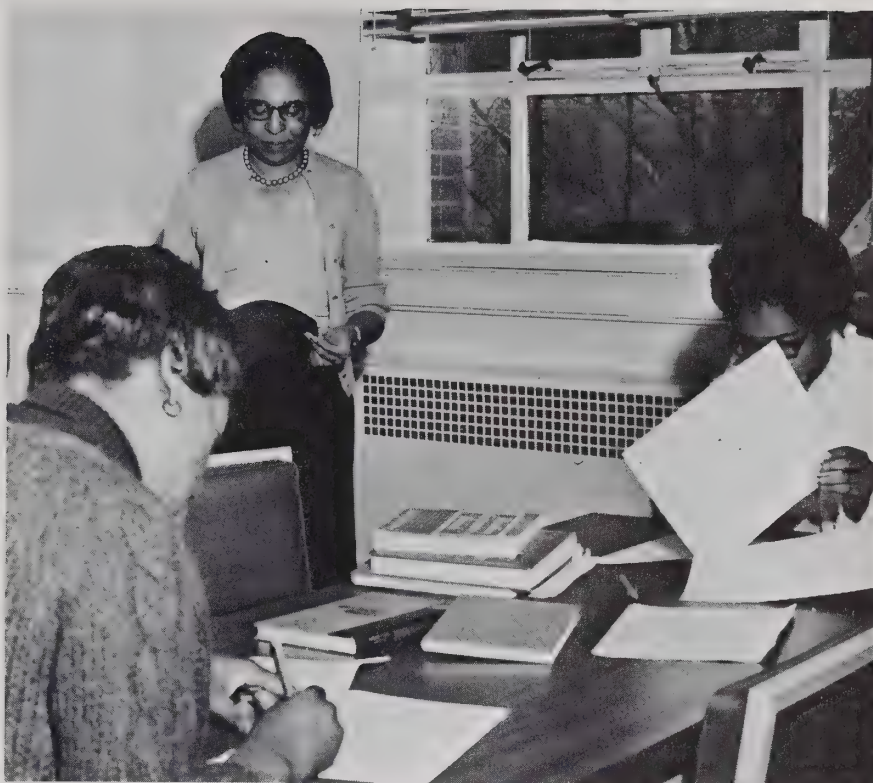

Although this final item cannot be classed as an activity, a most exciting development is the fact that quarters for the Department will be included in the new library building.

Music and Fine Arts

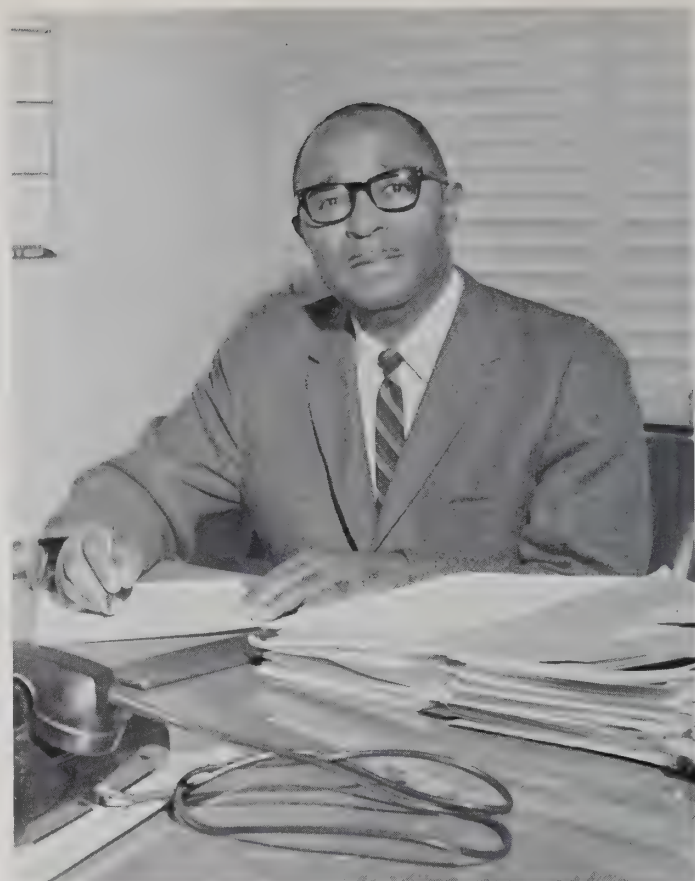

The Department of Music and Fine Arts senses a dedication to serve both the members of the campus population that have chosen to view its offerings professionally and that larger percentage that can profit from being in an environment which is musically and artistically stimulating.

To implement its aims, the department offers professional courses; however, the academic curricula are amplified by such organizations and activities as the Collegiate Chorale, directed by Mr. H. Harleston Fleming; the Male Chorus and the Mixed Octet, directed by Mr. Eugene Pinson; the Women's Ensemble, directed by Miss Barbara Vaughn; the Garnet and Blue Marching One Hundred and One, directed by Mr. Marcus M. Rowland, and the Concert Band, directed by Mr. Reginald R. Thomasson, the DeVane Dance Group, directed by Mrs. E. R. DeVane, which emphasizes art through the dance.

Among the faculty members is Mr. Leo Twiggs, a former talented Claflin art student, who continued his study in New York. He has exhibited his paintings at Winston-Salem Fine Spring Mills Art Show, Lancaster, South Carolina.

In the Department this year there is a newly organized Clarinet Choir, composed of all concert band clarinet players. This organization will be a valuable adjunct to the instrumental program. It will give students valuable experiences in ensemble playing and an opportunity to read a wide variety of good clarinet literature. The Clarinet Choir and components of the choir appeared frequently in public during 1967 school term.

The Marching One Hundred and One was an outstanding feature at the Inaugural Parade of Governor Robert McNair of South Carolina,

Health and Physical Education

The broad objective of the Department of Health and Physical Education is to contribute to the total educative experiences of the students at South Carolina State College. Thus, specific experiences are provided which are geared toward education through the physical rather than education of the physical. With this underlying philosophy, emphasis is placed upon developing the individual intellectually, socially, emotionally, and spiritually, as well as physically.

The philosophy of education through the physical rather than that of the physical demands a program which has a wide range of activities and which is rich in opportunities for self expression. Thus, in addition to a broad curriculum, the department fosters a diversified intramural program, a physical education club for majors, a women's athletic association, a physical education carnival and dance group. All facets of the program, except the Physical Education Club, are open to all students. This comprehensive program offers the students an opportunity for exposure to a variety of experiences through physical activities. It is important to note that these experiences are not restricted to mere participation in physical activities. They include organizing, planning, evaluating, and leadership.

School of Arts and Sciences

This year has shown a marked increase in the enrollment and the number of well trained instructors employed in the School of Arts and Sciences. The department of Business Administration with the largest major enrollment at the college has moved into the newly renovated air conditioned Moss Hall. The department of Natural Sciences with the second largest enrollment is making plans for its new annex since federal and state funds are now available. With the need for more facilities and classroom space, part-time instructors are teaching classes in the Mechanical Industries Building, R.O.T.C. and the Staley Buildings. At present there is probably not a classroom building on the campus that is not used directly or indirectly by the students registered in the School of Arts and Sciences.

Before the beginning of the new year the School will be boastful of its well equipped Speech Clinic and its revised curriculum. This is a first in the public schools of South Carolina.

The opportunities for employment of our college graduates are increasing and the future remains bright with good facilities and improved instruction.

The dean, Dr. Hunter, is proud to have George, III in the family, since his son, George, II, produced another George. The Dean, by the way, has five grand children: four of them call the great soprano, Leontyne Price, Aunt.

Modern Languages

With the chairman returning a contented married man rather than a dashing bachelor, the students of the Department of Modern Languages faced a demanding but challenging year, for the staff planned a series of class and extra curricular activities with the different language clubs that proved beneficial to majors, minors, and club members.

First of these activities were tutorial sessions designed for first and second year students which proposed to promote interest in order to secure a large number of majors.

Secondly, there was the presentation of lectures concerning the great literary figures and movements in the field of literature. Students who were interested in developing their abilities of research were also encouraged to present and discuss their investigations.

In addition to the aforementioned, Alpha Mu Gamma, the National Honor Society, sponsored a series of activities for the National Foreign Language Week (March 12-18). These activities included presenting a foreign speaker, who addressed the audience on the culture of his country, showing foreign films, reserving a night for foreign songs and dances, and having a table set aside in the dining hall where students ate and conversed freely in languages.

The Department presented a series of skits during the months of March and April, which were entertaining to interested faculty members and students.

Finally, the department ordered an exhibit from the FACEA which depicted aspects on the history of France.

Communications Center

"The study of science teaches young men to think, while the study of the classics teaches them to express thoughts" is a statement by the scholarly J. S. Mills. It encompasses the philosophy which impels the members of the Communications Center to take seriously their task of serving all of the freshman and sophomore students enrolled in the college, for in this era when scientific and technical knowledge is of increasing importance, proficiency in the communication skills assumes a necessary place in the educative process of the college-trained population. Nevertheless, in spite of the faculty's feeling of dedication to the college as a whole, it senses that its major responsibility is to that smaller segment of the student body who has chosen to take advantage of the Center's more specialized offerings: courses leading to the degree in English; courses leading to the degree in speech correction; courses leading to the minor in English, and courses leading to the minor in drama.

The Center is fortunate in its teaching staff. Its members have degrees from such universities as Atlanta, Howard, New York, Iowa, Pennsylvania, Columbia, and Harvard. One faculty member, a State College graduate has recently received his Ph.D. degree from Pennsylvania State University. Another State College graduate has joined the center as an instructor of speech. In addition, the center has been fortunate to have on its staff a Woodrow Wilson fellow, a recent graduate of Harvard, a widely traveled and experienced teacher who has given breath and humanistic depth to the environment.

Social Sciences

As the world grows smaller and the interrelationships between cultures becomes more complex, the Department of Social Sciences finds itself taking the duties more seriously as it goes about the task of representing several integrated curricula concerned with one aspect or another of human relations.

The knowledge and understanding of the background and present behavior of man, as well as his future actions, is the main objective of students taking courses offered by this department. It is easily seen that a knowledge of the courses offered in this department can be of great value to the student in understanding himself and his place in society and as understanding others and their places in society. Knowledge of man and his reactions to society is useful in almost every phase of life and in practically all types of vocations—governmental employment, civic work, clerical work, sales positions, post graduate social work, corporation executive jobs, and most certainly in the professional fields of education, medicine, law, and theology.

Each year the department sponsors a Social Studies Workshop for in-service teachers and a Marriage and Family Life Institute. Both activities are an outgrowth of the department's concern for the implementation of classroom learnings. Both activities are under the able directions of Mrs. Marguerite R. Howie.

The primary concern of the chairman and the staff of the Social Science Department is to create an atmosphere where students are willing to work to achieve their optimum development in the pursuit of an excellent education.

Business Administration

In 1966 the Department of Business Administration became the largest department on the campus of South Carolina State College and at the same time out-grew its present quarters. In August of 1966 the department moved to its new quarters, Moss Hall formerly the Law School. There in this modern building facilities will be expanded to include a statistical laboratory, a special shorthand instruction room where the Switchcraft Dictation Unit can be used to increase speed and accuracy in Shorthand; other classrooms will be planned for greater utilization. In addition, efforts will be made for increased improvements in instruction and lectures, seminars, and discussions by outstanding business leaders will be regularly scheduled to broaden the student's scope in business, develop creativity and increase their sense of social responsibility.

During the year 1966-67, Department of Business Administration was a site of performance tests for students seeking employment with various government agencies and business corporations.

The Department of Business Administration had for one of its goals increased improvement in instruction and challenges students to better prepare themselves for opening opportunities.

Webber; a long time teacher to return for duty— Mr. T. J. Crawford; and a teacher to return from study leave, Mr. Carl Clark, who brought with him Mrs. Carl Clark, who also joined the faculty.

The department is happy to note that three of its staff members, including its chairman, are graduates of the department, and that three members of the staff have over one hundred years of continuous teaching experience. Further. It can state that a great number of the doctors and dentists in the state are graduates of State College and were majors in the Department.

The faculty continues to lend its efforts toward developing quality students in the area of the sciences—students who will be prepared through scientific knowledge to invigorate the present and who will be capable through scientific visions to accelerate future achievements.

Finally, the members of the department are proud to repeat that during the past five years, it has received over one-half million dollars in National Science Foundation grants for summer and in-service institutes.

Mathematics

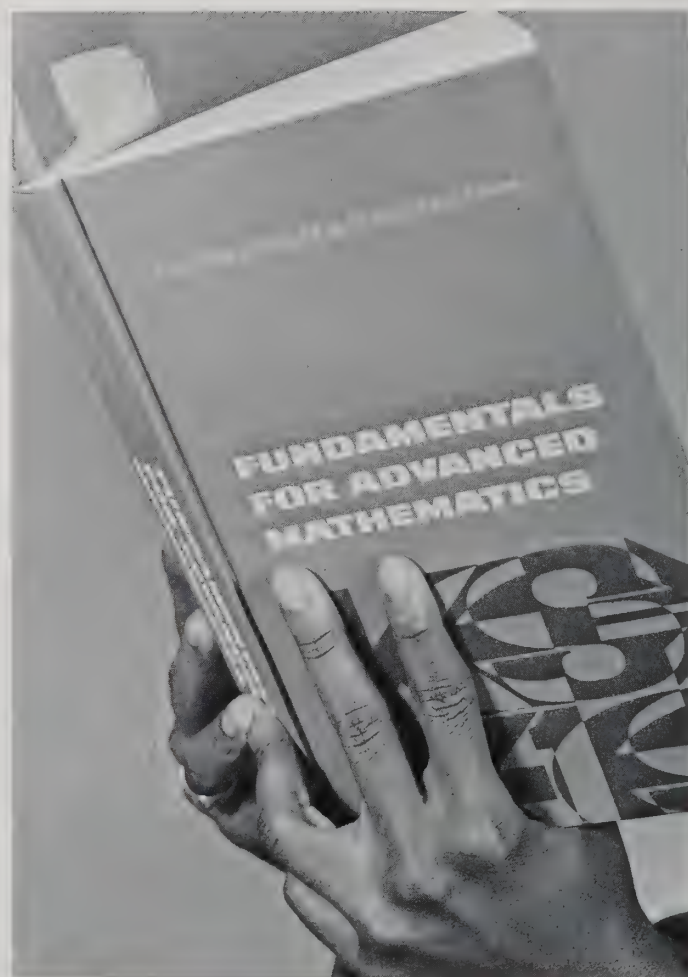

Mathematics is both a tool subject and a pure science. The department has a laboratory which is continuously being equipped with those mathematical tools and materials necessary to meet the demands of teaching in these two areas. Included in this list are calculating machines, close circuit TV, books, periodicals and materials for mathematical constructions and experimentations.

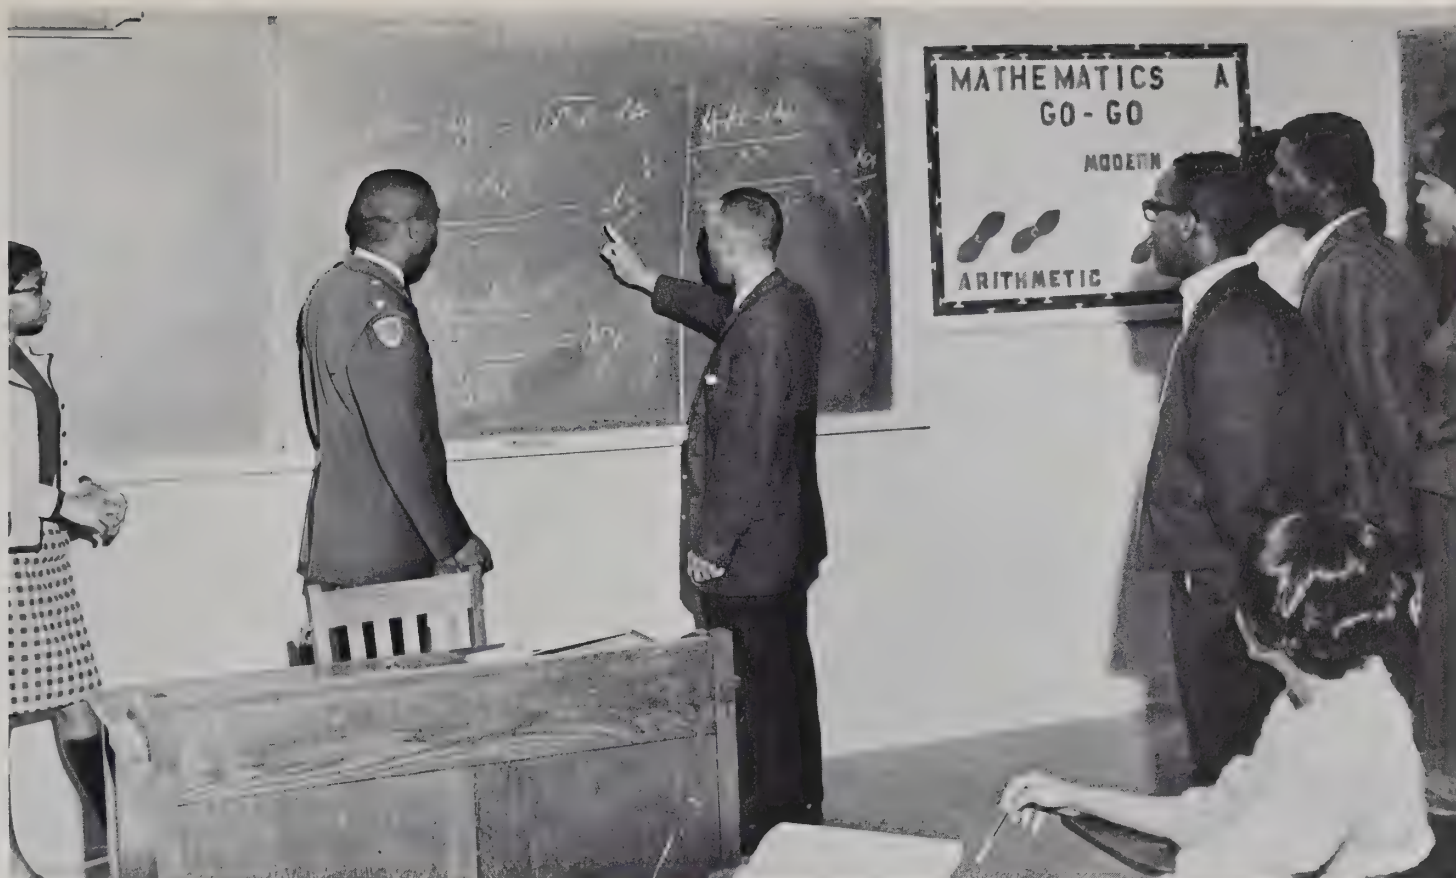

All courses and activities are geared to the contemporary mathematical programs.

In cooperation with the Mathematical Association of America, Inc. and the National Science Foundation, an outstanding mathematician visits the campus each year to lecture to students and faculty on some interesting mathematical topics. It is hoped that the offerings and activities of the government will increase the interest in and appreciation for mathematics of all students registered at the college.

The mathematics curricula at the college is designed to serve five major types of students:

1. Freshmen students who need additional experiences in mathematics.
2. Students majoring in the natural sciences, physical sciences and engineering technology.
3. Students preparing to teach in the elementary and secondary schools or who are preparing to enter graduate school for additional preparation as teachers of mathematics.
4. Students who plan to work in industrial and governmental positions as mathematicians or statisticians.
5. In-service teachers who must upgrade their mathematical knowledge in order to teach the contemporary mathematics programs.

School of Agriculture and Division of Home Economics

The division of Agriculture at State College has played a central role in the increasing efficiency of American and International Agriculture. For a half century after the founding of the land-grant colleges, agriculture was nearly synonymous with farming. Then commercial farming gradually became more and more dependent on urban-based services for production supplies and for the processing of products. Rural resources of soil, water and plant support many nonfarm uses, including recreation areas and dwellings for city based people. In servicing today's agriculture, the agricultural college deals with a broad and complex set of problems and principles requiring high excellence in the natural and social sciences.

Graduates from South Carolina State are working in varied capacities all over the United States and as far away as Viet Nam. Some of these are agricultural representatives for the Armed Forces in Viet Nam and Korea; county supervisors of the Farmers Home Administration; employees of the Soil Conservation Service; and employees of the Federal Agricultural Research Agency.

The objectives of the Division of Agriculture are to prepare students to become extension workers or specialists in federal and commercial agencies, to prepare students to do research or promotion work in the plant and soil science fields.

The degree of Bachelor of Science in Agriculture is awarded those students who satisfactorily complete one of the four curricula offered under the Division of Agriculture.

Division of Home Economics

The Division of Home Economics moves forward in the use and exploration of the fascinating variety of media and innovations to meet the *challenge* of preparing students (male and female) for the 15,000 new career opportunities each year in home economics.

The professional training of students for specialized vocation concerned with improving individual and family well-being includes finding knowledge and applying it in—nutrition, foods, clothing, household equipment, child development, family relationships, family economics, home management, house furnishings and other aspects of living.

Some home economics careers are concerned with individuals, others with families, and others with large groups of people.

Laboratories, equipment and lecture rooms located in Staley Building provide an organized atmosphere and realistic setting in which a student seek to fulfill his or her role. The Division also operates the Pre-School and home management residence.

School of Industrial Education

Three members of the faculty whose continuous service with the college totals more than 115 years combine their experiences with younger members of the staff to make this one of the oldest areas of the college, an outstanding and productive unit for South Carolina State College was established as an industrial, agricultural, and mechanical college. The School of Industrial Education is proud of its historical position on the campus and wears its laurels with dignity.

With the passing of the years, however, the concept of Mechanical Art has grown with technical advance. It is, therefore, the function of the School of Industrial Education to provide educational experiences and training for students as they prepare themselves to render a larger service as teachers of industrial subjects in public schools and/or as Engineering Technicians.

To achieve the functions of the School of Industrial Education, the curriculum is designed to enable the students to gain professional training in the various fields of Industrial Education and Engineering Technology. During the first two years, the department emphasizes study in general liberal arts courses, as well as those designed to provide the necessary foundation in mathematics. This is done to give the student a good liberal background and make him a well-rounded individual. During the final two years, the student concentrates in his particular major.

Military Science Reserve Officers Training Corps

The mission of the Reserve Officer's Training Corps program at South Carolina State College is to provide the military training that is combined with the academic curriculum of the college so students may qualify for commission as officers in the Army of the United States upon graduation. This year brought about a change in the organizational structure of the Corps due to the increase in the number of students pursuing the Advanced Course (junior and senior years). The Corps was redesignated the 1st Student Brigade, South Carolina State College. The change in organization provides a wider latitude of assignments in leadership positions. This further assures that all cadet officers and non-commissioned officers receive responsible leadership positions in order to demonstrate leadership ability. The Cadet Corps had a very successful school year participating in several major events on and off campus. To name a few, there was the Homecoming Day Parade; the Veterans' Day Parade and retreat ceremony; the Governor's Inaugural Parade in Columbia, South Carolina; the Annual Ball, Banquet and Cadet Hop, ROTC Day and the Annual Formal Inspection.

Since the establishment of the ROTC program in 1947, approximately 513 commissions have been tendered. The first commissions were awarded in 1949. Of those commissioned, four have achieved the rank of Lieutenant Colonel.

During the year there were two staff promotions. The Professor of Military Science, Lieutenant Colonel Walter R. Mebane was promoted to his present rank from Major and Major Wendell G. Parker, Assistant PMS was promoted to his present rank from Captain.

School of Graduate Studies

South Carolina State College was authorized by the South Carolina General Assembly to offer graduate work for the first time during the 1946-47 college term. In keeping with this authorization, a limited program of graduate work has been offered since that time. As rapidly as the College is equipped in certain areas, and as the demand for graduate work increases, the graduate program will be extended to include all subjects and departments of the College.

At present, the basic purpose of the program of the School of Graduate Studies was approved by the Board of Trustees. This faculty is composed of professors and associate professors chosen principally from the School of Education and representative from other schools offering minors in the graduate program.

The function of the faculty is to assist in establishing general policies for the graduate program, to teach courses that are included in the graduate offerings and to serve as members of the advisory committee of candidates for graduate degrees.

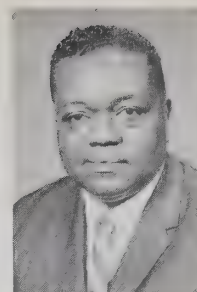

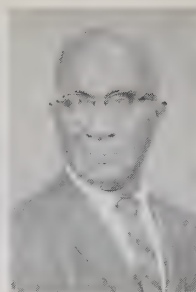

Admission to the School of Graduate Studies depends chiefly upon the applicant's evidence of ability to pursue successfully courses of graduate caliber.

Omega Bobo, Kenneth Pangburn, and Debra Neal Brown.

Beta Kappa Chi Scientific Honor Society

Beta Kappa National Scientific Honor Society was founded in 1922 and its membership is limited to juniors in the science and mathematics area who have acquired a grade average of "B" or better. Each year the members of the organization offer their services as tutors to students enrolled in the sciences and mathematics courses. This year their tutorial services have been very popular, especially when examination time drew near.

Alpha Kappa Mu Honor Society

This term representatives from the local chapter of Alpha Kappa Mu Honor Society sent representatives to the national conclave which was held at Tuskegee Institute and presented an Honor's Day Program at the college assembly. The Society, conceived by Dr. George E. Gore of Florida A. & M. University, recognizes scholarly achievement, and membership is one of the highest honors attainable on the campus.

Student Government Association

The Student Government Association is a unique organization officially representative of all undergraduate students enrolled at the college.

Its primary objectives encompass the task of fostering intellectual programs that may be informative instruments, providing a means through which students become more familiar with the college, its objectives and aims, its role in our constantly changing educational structure; our government, both state and national levels, the part they play in shaping our lives; and issues of world-wide importance that serve as guidelines to determine the future of man. The council encourages the campus to analyze and discuss intelligently the powerful forces that govern destiny.

The organization, through class representatives and active class leaders, promotes understanding and cooperation between the administration and students in all matters of general welfare. It serves also as a nucleus for the initiation of projects which will afford the students an opportunity to develop such qualities as self-control and self-expression. The student leaders chosen by their peers to represent them and act as official liaison between administration and students, display a sincere interest in progressive government; they strive to uphold the precepts of the organization.

The Yearbook Committee

The Yearbook Committee, composed of faculty members selected by the President of the College, works closely and harmoniously with its student counterpart, the BULLDOG Staff.

The committee's primary function is to aid the BULLDOG Staff in making the budget, typing and proofreading material.

The Collegian Committee

The work necessary to maintain the high standards which the *Collegian* holds requires that the chairman and the members of the *Collegian* committee work hard and diligently. Appointed annually by the President of the College, these committee members often correct copy, suggest styles, and write.

Evaluation Committee

Since it is felt that one of the best procedures for a college to improve itself is a continuous self-study, the Evaluation Committee was created. The committee continues to carry on this self-study to evaluate the present programs and to recommend plans for the future. Members of this committee are elected at last meeting of the Faculty Study Commission.

Officers, Faculty Study Commission

The entire faculty of South Carolina State College meets together three times each year at a faculty study session.

The theme for discussion the past year was "Look at our program." At the first two meetings department heads or selected staff members explored interesting facets of their areas. At the third meeting the president was in charge.

The DeVane Dance Group

Dance, a part of the Arts program, is a course and an extra-curricular activity. Instruction is given in ballet, tap, creative, and religious dances. Through these medium, form, design, perspective and movement are taught. The highlight of the year is its annual spring concert which is given in White Hall Auditorium. Besides the artistic quality of the dance is the originality of the costumes, which are them-

selves designs worthy of an artist. Mrs. E. R. DeVane, dance instructor, also designs these costumes.

Often the amateur performers show enough ability to warrant themselves a tryout with professional entertainment units. Those students who show a remarkable amount of ability and talent are awarded prizes at the end of the year by Mrs. E. R. DeVane.

Earle Hall Club

Earle Hall accommodates senior and junior young ladies who strive to uphold the honorable standards of the campus.

These young ladies engaged themselves in many cultural programs throughout the year. These programs included a Holly Tea at which Tributes were paid to a few of the most outstanding young ladies of the campus. In addition, the Earle Hall young ladies acted as hostesses to the many

queens, football teams, cheerleaders, and other distinguished guests visiting the campus.

Other cultural and recreational programs included a surprise "Birthday Party" for the House Director, Mrs. J. W. Gamble; active participation in "Life Enrichment Week" ceremonies, and a Spring Picnic to end the year's activities.

Miller Hall Club

Miller Hall, proudly bearing the name of the first president of South Carolina State College, is a residence hall for young ladies who consider it their Orangeburg home. Under the direction of Mrs. Jessie Summers, the residents of the dormitory have enjoyed a program planned to be both educational and enjoyable. The club is the medium through

which this program was articulated and executed.

This year the club sponsored a tea, a vesper program, a Sunday morning devotional hour, and a social. Within the dormitory itself, however, there was educational activity that was continuous, involving viewing selected television programs and stimulating chit-chat sessions.

Manning Hall Club

The Manning Hall Club engaged in several dormitory activities. These activities consisted of dormitory parties, such as the Christmas party, and informal gatherings including coffee hours.

During Life Enrichment week, the club provided a section in the lobby for individuals desirous of meditation. The

club also presented a Sunday School program entitled "Biblical Personalities."

Manning Hall is considered a dormitory with a very comfortable, homelike atmosphere. There are televisions, record players, and/or radios in the rooms which help to create an atmosphere conducive to relaxation.

The residents are girls of classifications from freshmen to seniors. They all live together as one big family.

Lowman Hall Club

The Lowman Hall Club consists of 118 freshmen, two proctors and a dormitory director.

The year began with the participation in "charm and proper attire" presentation for freshmen. As the year progressed many of the boys exhibited their talents on the talent show, and an aspiring young minister presented a short sermon for a Sunday School program.

During Religious Emphasis Week, many boys took the advantage of the altar placed in the lounge to give added thanks for their blessings.

Ivie J. Nichloson, Lowman Hall's Queen and her attendants were a lovely spectacle to see during the Homecoming Parade. Lowman Hall is looking forward to many more activities before year ends.

Music Educators National Conference

The MENC is an educational organization for music majors, and also affiliated with the National Chapter of the Music Educators National Conference.

The members and their advisor, Miss Barbara Vaughan, feel that this was a prosperous year. For the annual assembly speaker, they were privileged to have Dr. Raymond Thigpen, State Supervisor of Music.

The Contemporary Music Guild

The Contemporary Music Guild is an organization composed of musically interested persons. The organization aims at higher scholarship and a greater musical participation on the part of music majors.

It is hoped that this small interested group will become affiliated with the National Honorary Music Fraternity. Mr. James George, Jr., the Advisor and Mr. Harry Abrams, the President, led them through a very successful and active year.

Gamma Tau Omega

Gamma Tau Omega is an affiliate of the National Council of English. Included in its calendar of events for the past year were its annual college bowl, a coffee hour for all English majors, faculty and staff of the Communications Center, and a Valentine's Day record hop.

The annual college bowl was won for the second time by

majors in mathematics and natural sciences. The challengers were students from the social sciences. The coffee hour was a fun session in which students conducted classes spoofing the newest trends in the teaching of English. The professional project for the year was the study of play production in high schools.

Gamma Tau Omega's college bowl is on the air.

Social Science Club

The Social Science Club, composed of social science majors and minors, provides forums, seminars, and programs so that students may discuss current world problems. It offers also a medium through which students develop a practical knowledge of the political, economic, and socio-cultural changes of their environment. The members of the club offer their services to such departmental sponsored activities as the annual Marriage and Family Life Institute and the Social Studies Workshop.

Social Science Fraternity Sigma Rho Sigma

Sigma Rho Sigma was established on this campus two years ago. It is composed of students who have at least sixteen hours in the social sciences with at least an accumulative average of "B" in that area. Under the direction of their advisor, Mr. Williams, and in cooperation with the Social Science Club, Sigma Rho Sigma presented a very enlightening assembly program during Negro History Week.

Future Business Leaders of America

FBLA is designed particularly for those students who are looking forward to careers in business. One of its chief objectives is to develop strong, aggressive leadership so that these future businessmen and women may participate more effectively in the business community life of which they are a part. Members of the Future Business Leaders of America

learn how to lead and participate in group discussions, preside at meetings and conferences, head and work on committee assignments, engage in group problem conferences, work effectively with others in a democratic society, and participate in other desirable activities which contribute to the development of desirable leadership qualities.

Pershing Rifles

Pershing Rifles is a tri-service organization composed of Army, Air Force, and Navy cadets. Pershing Rifles has units on the campuses of colleges and universities throughout the United States. Founded by the famous General of the Armies, John J. Pershing, at the University of Nebraska in 1894, the Society has presently over eight thousand active

Pershing Riflemen in the one hundred and fifty units of the organization. Those who meet the high standards of the Society become part of a unit that competes in national drill and rifle meets as well as appears in shows, parades, and social events. This is the first year of this historic organization's existence on our campus.

The Society of Scabbard and Blade

Company C 12th Regiment began the 1966-67 school year with eight members. Under the guidance and direction of its advisor, Major James Guyton, and the commanding officer, Cadet/Captain Joseph Pearson, the company has grown in membership to twenty-six cadets.

C-12 is proud to have within its ranks the first Student Brigade Commander at South Carolina State College, Cadet/Lt. Col. Earl Finney.

Realizing that religion is important in individual development, C-12 sponsored Sunday School on October 16, 1966. The Company also presented a chapel program during the last school year with Lt. Col. Spencer M. Bracy as its speaker.

During the second semester, C-12 participated in a chapel program, a Founders Day Program and topped the year off with its annual banquet.

Drill Team

The First Platoon Headquarters Company is known as the ROTC Drill Team. It is basically composed of Sophomore ROTC Cadets who have demonstrated their proficiency in trick drill. This team has put on many thrilling and exciting performances this year, including one at the ROTC Annual Federal Inspection.

Cheerleaders

The State College Cheerleaders ignite the spirit that leads the fighting Bulldogs on to victory. That spirit is evident this year as we proudly cherish our mighty football team, our unconquerable basketball team, our excellent track team, and our victorious baseball team. Our cheerleaders are always there! They whooped it up at the Florida A. & M. game as our team went all the way to unprecedented victory.

Hospitality, Courtesy and Promptness Club

An unsung and doubtlessly humble author wrote this simple maxim:

If a task is once begun
Never leave it till it's done.
Be the labor, great or small
Do it well or not at all.

Firmly adhering to this rule of conduct, the men and women of the Hospitality, Courtesy, and Promptness Club quietly dedicate themselves to service to the College. They voluntarily serve as ushers at vespers, the President's Lecture Series, the Lyceum Series, and various chapel programs.

The members of the H.C.P. Club proudly carry on a task begun over thirteen years ago: the development of social courtesies on campus.

Library Service Club

The Library Service Club, composed of ladies and gentlemen who have chosen to major in that area of growing importance, Library Service, engages in activities that tend to increase their knowledge and proficiency in the professional area; however, they extend their interests to campus-wide activities as well. This term their activities have ex-

tended from sponsoring assembly programs, vesper services, and conducting Sunday School to doing research on the latest dances, including the shing-a-ling. In this way they hope to stimulate academic achievement, cultural growth, and social know-how, qualities necessary for leadership.

The Houston Engineers

The Houston Engineers is an organization composed of students in the field of Industrial Education, Civil, Electrical, and Mechanical Technology. The organization's major activity for the school year 1966-1967 was the making of blocks for Head Start in Orangeburg; these blocks were rectangular, triangular, hexagon, and cylindrical in shape,

which gave the children an opportunity to learn how to manipulate the blocks and fit them in the proper places. The organization also built two beautiful floats for the Homecoming activities, one for Miss State College and the other for Miss Houston Engineers. The Miss Houston Engineers float was one of the winning floats.

The Euclidean Club

The Euclidean Club through its endeavor to stimulate higher scholarship and greater interest in mathematics and natural science has been quite busy during the year.

This year the club sponsored tutoring sessions on Tuesday and Thursday afternoons from 1:00 to 5:00 p. m., for freshmen students having difficulties in mathematics. Students who were experiencing extreme difficulties with mathematics were assigned special tutors.

Tutors were also assigned to high school students, from Wilkinson High and Orangeburg High, who were having difficulties with mathematics.

All tutoring activities proved to be quite beneficial to students tutored and to the tutors.

The club also brought in lecturers who spoke from various interesting topics in mathematics not encountered in the undergraduate curriculum.

Rosamond A. Alston Chapter of the Student National Education Association

The Rosamond A. Alston Chapter of the Student N.E.A., named in honor of the late Miss Rosamond A. Alston, is affiliated with the Palmetto Education Association and the Palmetto Future Teachers of America. The organization is under the supervision of Miss Trudelle Wimbush.

The organization provides source materials from which students in the fields of secondary or elementary education are introduced to experiences which add to their professional

growth. This year, the organization presented American Education Week. This activity was concluded by presenting the MERIT AWARD to Mrs. Ellen Watson, President of the Palmetto Education Association. The N.E.A. also presented a Vesper program at which time the Reverend J. Herbert Nelson, pastor of the St. Luke Presbyterian Church of Orangeburg was the speaker.

Arnett Club

The Arnett Club, a professional organization composed of Elementary Education majors, is organized to provide opportunities for professional development for students majoring in Elementary Education. It also provides stimulus for understanding children in both large and small schools. This organization grew out of the first off-campus Directed Teaching program for South Carolina State College de-

veloped under the supervision of the State Department of Education, the School of Education and the Penn School, Saint Helena Island. The activities of the club during the year have been many and varied, of which one event included a dynamic speech by Miss Ruby T. Block "S" Club

James Hixon shows Marvin Howell, Jr., how.

The proud wearers of the Block "S" are those athletes who have excelled those sports in which they have participated. In recognition of their achievements, they have been so designated on Honors and Awards Day. Each year at the first home football game, the wearers of the Block "S", both old and new, are honored. Their presence each year re-emphasizes the objectives of the club: to exemplify high moral standards, academic achievement, and unquestionable sportsmanship in all fields of endeavor. This year, the members of the Block "S" Club gave valuable aid to the college by lending their assistance during the registration period.

The Student Christian Association

Of the many events of the Student Christian Association, the highlight was a three-day visit of our Regional Associate Staff Director, Miss Martha Randall. Being a relatively recent undergraduate and having spent many hours working with the YWCA, Miss Randall knew and talked the language of the students. This gave them stimulating incentives to put forth the maximum of their efforts to carry

out their responsibilities. However, she reminded them that the work of the S.C.A. need not be all serious but that it can be best accomplished when mixed with a little fun and relaxation for all.

As the curtains closed at the end of her stay, Miss Randall received resounding applause for a performance that all appreciated and enjoyed.

The Psychic-Probers Club (Psychology)

A new psychology club on campus, the "Psychic Probers", was organized in the first semester, 1966. Informally gathered each month, faculty and students search for deeper understanding of such questions as "What are the effects of tranquilizers on human behavior?" "What is the motivation behind the 'Freezer Society' movement of Ettinger?" Seminars, field trips, movies, and informal conversations by outstanding psychologists indicated the calendar activities.

Women's Council

The coronation of Miss State College was the major activity of the Women's Council, an organization which exists to encourage the female students to achieve balance of scholarship and extra-curricular activities. The Dean of Women, the Dormitory Counselors, and the House Directors assist the advisor, Mrs. S. R. Staley, in helping the Council maintain its goals.

Sunday School Club and Staff

The Sunday School is a self-sustaining body and a source of religious guidance for the entire campus. Participation in its activities is completely voluntary; however, practically every organization on the campus participates actively by conducting devotional services at least once each term. The specific activities of the Sunday School, in addition to its regular Sunday morning devotional meetings, are participat-

ing in Life Enrichment Week Services, conducting an annual vesper service, giving charitable gifts to the needy, participating in Homecoming events, and giving special recognition at the end of the year to students who have contributed outstandingly to the religious life of the campus community.

Richard Allen Club

A driving interest in the Christian lives of college students, led by the Reverend Chappelle Davis, pastor of William's Chapel, to organize the Richard Allen Club on South Carolina State College campus. Founded primarily to serve students of the African Methodist Episcopal Church, membership in this club is open to all interested students.

The organization desires to provide college students with a spiritual, social and intellectual interest in the church. The Richard Allen Club does this by sponsoring educational, social, and religious programs. On campus the club has its annual Sunday School program, vesper program and takes an active part in the Life Enrichment Week Programs.

Baptist Student Union

The organization of the Baptist Student Union on the campus of South Carolina State College was organized in 1945, providing religious experiences and guidance to its members, as well as to any interested students of the college community.

This organization has sponsored many activities this year. Among them were Sunday School and Vesper services.

Also, the Baptist Student Union served the Baptist churches in the community by conducting church services on designated Sundays. The members of this organization strive to project a friendly and wholesome atmosphere so that all students will feel free to join any activities sponsored by the organization.

Westminster Foundation

The Westminster Fellowship is organized to provide Presbyterian students an opportunity to broaden and strengthen their spiritual development at the college. The Fellowship meets weekly to discuss common problems; these discussions help the members to project themselves into a spiritual realm and meet the challenges of their generation.

Methodist Student Movement

The Methodist Student Movement of South Carolina State College is undergoing a dynamic change this school year and the ones to come.

The Movement here is caught in a whirlwind of uncertainties as far as name and overall purposes are concerned but it is hoped that wider and closer objectives can be met as a result of this new program.

In spite of many adversities, this has been a rewarding and challenging year.

Alpha Phi Alpha Fraternity, Inc. —Beta Delta Chapter

December 4, 1906 marked a significant development in Negro college life. On this date the first Negro fraternity—Alpha Phi Alpha was founded at Cornell University. This fraternity still remains the largest Negro college fraternity in the world. This year, Beta Delta joined its brothers throughout the world in the sixtieth observance of Founder's Day. We were honored to have Brothers Dr. Lionel H.

Newsom, General President of the fraternity, as our speaker for this occasion. In February, the fraternity sponsored its annual Club Alflamingo, featuring Maurice Williams and the Zodiacs. It was "out of this World!" As a part of its educational program, the "Voice of Alpha" was presented as an annual affair which feature Alphamen throughout the state.

Kappa Alpha Psi Fraternity —Alpha Lambda Chapter

On the fifth of January, 1911, at the University of Indiana, Elder W. Griggs, along with nine other men founded Kappa Alpha Psi. It was incorporated April 15, 1915, as the first Negro fraternity in the state of Indiana. Since that time Kappa Alpha Psi has become national in scope with chapters on all major campuses.

The purpose of Kappa Alpha Psi is achievement. Its members seek to inspire each other to do noble deeds and to gain positions of usefulness to mankind. The members of Alpha Lambda chapter endeavor to attain the purposes of the founders as they participate in both fraternal, religious and social activities. The highlight of the past year was the Kappa Karnival.

Iota Phi Lambda Sorority —Delta Eta Chapter

Iota Phi Lambda, a business sorority, was founded in Chicago, Illinois, in 1929, by a group of women (engaged in the field of business). The founders recognized the need for trained business majors and sought to establish an organization to extend the light of intelligence and to create a circle of sisterhood around the world. Seeking to encourage higher education among its members, the organization awards annual national scholarships to those interested in furthering their business training.

Delta Eta Chapter was organized on this campus in 1949 and is one of the three undergraduate chapters of the sorority in the U. S. Since that time, Delta Eta Chapter has lived up

to the ideals of Iota Phi Lambda Sorority by unfalteringly keeping the motto "Seeking Greater Opportunity Through Increased Efficiency." Loyalty, courtesy, honesty, kindness, and friendship are the guiding principles that the members of the sorority attempt to emulate, as they seek greater opportunities through increased efficiency.

The sorority engaged in many social and religious activities during the school year which included a chapel program with Mrs. Patricia Alexander as the speaker for the occasion, Sunday School Presentation, and a Social which was co-sponsored with the Future Business Leaders of America.

FOOTBALL - 1966

S. C. State Bulldogs Rank High in Small Colleges

For the second consecutive year Coach Oree Banks has been named Coach-of-the-Year. Thus far, he has accumulated a 15 - 3 record in his two years at South Carolina

State College as head football coach. The Bulldogs finished in the top twenty of small colleges ranking with a defense that ranked in the top five for rushing among small colleges.

Agile and fleetfooted Johnny Gibbs seeks maneuvering room against Florida A. & M.

Orangeburg, S. C. Bulldogs Stun Rattlers, 8 - 3

South Carolina State College dethroned the vaunted Florida A. & M. Rattlers here 8 - 3 before a standing room-only crowd of 8,000.

The defeat broke a conference winning streak of 56 games begun after Bethune-Cookman College eked out an 8 - 6 victory in Daytona Beach, Florida in 1952. After a scoreless first period, the Rattlers got into the scoring column when Lovett kicked a 22-yard field goal with 11:13 remaining in the second period following a 47-yard drive which faltered.

Sixteen seconds later, John Gilliam took the Rattlers kick-off on the 2-yard line and ran 98 yards through the Rattlers defense for the lone T.D. R. C. Gamble's attempt to add the PAT was wide and the half ended with the Bulldogs up 6 - 3.

State threatened twice in the fourth period only to lose the ball on fumbles and interceptions. The Bulldogs were on the five with 2:17 remaining in the game when Florida pulled in a Nickolson pass on the one. Three plays later Alonso Gilbert was trapped in the end zone for a safety and two points for the Bulldogs. The Bulldogs were most outstanding on defense, outplayed the Rattlers and thwarted them on every turn.

Bottom to Top: Mr. Willie Shamblee, Scout and Backfield Coach; Mr. Fred Collins, Defensive Line Coach; Mr. Oree Banks; Head Coach and End Coach; Mr. Roosevelt Holmes, Backfield Coach; Mr. Melvin Pete, Offensive Line Coach.

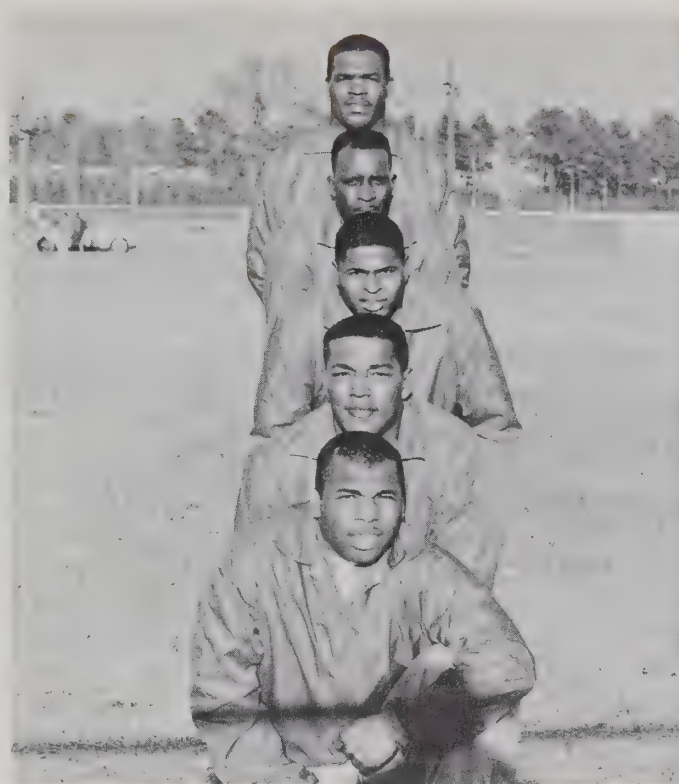

Columbia, S. C. State Sings a Victory Song Over Allen University by the Tune of 26 - 0

This victory handed to Allen University by the mighty Bulldogs was the second such victory after having been defeated for five consecutive years. Pressing hard for yardage deep on Yellow Jacket territory, Johnny Jones scored the first touchdown by reaching pay dirt in a 14-yard run. This TD added the necessary incentive to really topple the Yellow Jackets. Several plays later, Quarterback Johnny Jones threw a 20-yard pass to junior end Joseph Wynns for the second touchdown. The score stood 20 - 0 at half time when Milton Nicholson, junior quarterback, sneaked from 3-yards out.

The ensuing kick-off gave the Yellow Jackets the ball which they could not move beyond State's 50-yard line. State's final touchdown came in the last minutes of the game on halfback Willie Grate's score from 10 yards out and R. C. Gamble from a 35-yard maneuver that made all "comeback" chances for Allen inevitable.

Orangeburg, S. C. State Defeats Golden Bulls from Charlotte 40 - 6 on Homecoming Day

40 - 6 is the score that marked victory number 3 for the Bulldogs as a result of exhibition of fine offensive and defensive playing. The scoring began early in the first period with a pass from Robert Davis to Willie Grate with Tracey

Hodges adding the extra point. And at half time the score stood 20 - 0 in State's favor.

But the Golden Bulls were still determined to strike as they moved the ball 13 yards to score their final and only touchdown. Later in the third quarter, State scored off such outstanding runs as that 81-yard scramble by R. C. Gamble and such magnificent catches made by end Joseph Wynns. State's final TD was scored on a quarterback sneak by Johnny Jones which terminated the game in a 40 - 6 victory for the Bulldogs.

Normal, Alabama State Defeated 18 - 14 in Final Minutes

Alabama A. & M. Bulldogs drove 97-yards in the closing minutes of the game with South Carolina State to score their third and crushing TD to knock off the Bulldogs 18 - 14 and take sole possession of first place in the SIAC. Both teams entered the contest with identical 3 - 0 records and tied for the top spot in the conference. Down 12 - 0 after a listless first half, South Carolina roared back to gain the lead with two touchdowns and it appeared that the game was "in the bag" for the Carolinians. State scored in the third quarter on a seven-yard run by halfback Johnny Gibbs, and in the final quarter, Willie Grate scrambled 20-yards to score which put the Bulldogs ahead momentarily.

Willie Grate maneuvers to pick up interference blocking from (66) Robert Miller and (28) Ben Blocker.

The faking went well and Pendergrass is off for long yardage as Gamble takes the task of interference blocking.

The Alabamians rode to victory on the strong throwing arm of sophomore quarterback Onree Jackson who completed 18 of 39 attempts for 283-yards and three TD's. The final strike came with less than one minute remaining when Jackson found end Bernard Corbin in the end-zone. Each of Alabama's scores was set up by costly penalties.

The pursuit is on as captain "Rev" Brown chases a Fayetteville Bronco out of bounds.

Football is the game; its rough, tough, and . . . The picture proves it in detail as Trainer, Doc, and an almighty Bulldog check the injury.

The two scores in the second period came following 15-yard penalties which placed the ball on State's 20 and 25-yard lines. The final tally was made easy after a 30-yard pass was ruled completed on our ten-yard line because of interference. This ended State's streak of eleven straight victories.

Albany, Ga. South Carolina State Safety Repeats Sensational Kickoff Return

John Gilliam, speedy safety of the South Carolina State College Bulldogs, proved lightning does strike twice in the 40 - 15 shellacking of Albany State College. Gilliam took a kickoff back 98 yards in the first quarter to score and duplicated the feat which toppled the Florida Rattlers in the seasons opener.

Behind 15 - 12 at the half, the Bulldogs went ahead on the final play of the third period when Gilliam scampered 22 yards around his right end to score.

Albany State had visions of an upset as she converted two of the Bulldogs six fumbles into quick scores midway the first period. The Rams pounced on a loose ball on the 15 and quarterback Al Pounsel immediately hit flanker Charles Henry in the end zone to draw first blood, Simpson Conner's kick was good and it was 7 - 0. Gilliam took the ensuing kickoff to score.

The Golden Rams struck again after falling on another Bulldog bobble on State's three. Halfback Arthur Bell plunged in to score on the first try and a pass to John Roberts for the conversion made it 15 - 6.

The Bulldogs got their second score with 8:47 left in the first period when Robert Davis hit end Odell Sumter on a 28 yard pass play. The PAT attempt failed as did three others with kicking specialist Tracy Hodges injured.

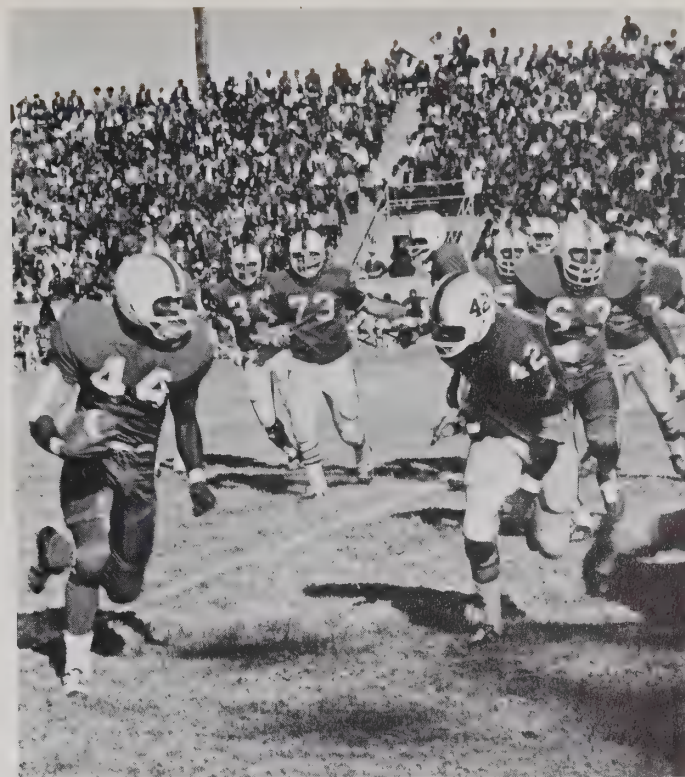

State scored three times in the final five minutes to put the game out of reach. Milton Nicholson, Junior quarterback, plunged two yards, Bennie Blocker, running at full-back, ran for five yards, and Nicholson found Odell Sumter free with a 35 yard pass for the final TD.

The Bulldogs converted after the two final scores on passes to Sumter and end Thomas Kennerly. This victory left the mighty Bulldogs with a 4 - 1 record.

Jacksonville, Fla. Bethune-Cookman Edges Over State College

With pass interference called against the Bulldogs and the ball resting within the 30 yard line, Quarterback Eddie Campbell hit Wildcat end Samuel Cooper in the end zone with a 21 yard, fourth-down pass with 3:31 left in the game and Bethune-Cookman edged the Bulldogs 29 - 26 in a thriller.

The Bulldogs outplayed the Wildcats all evening in the Gator Bowl, netting 356 total yards to Bethune's 165, but costly mistakes capitalized by the Wildcats converted such errors into scores and all to State's disadvantage. The win gave Bethune-Cookman a 3 - 1 conference record for the season and moved the Wildcats into a two-way grip on second place with the Rattlers. State, with a 2 - 2 SIAC record, was dropped into third place. Alabama A. & M. was left on top of the conference with a 4 - 0.

John Gilliam looks for interference blockers as he scrambles for short yardage.

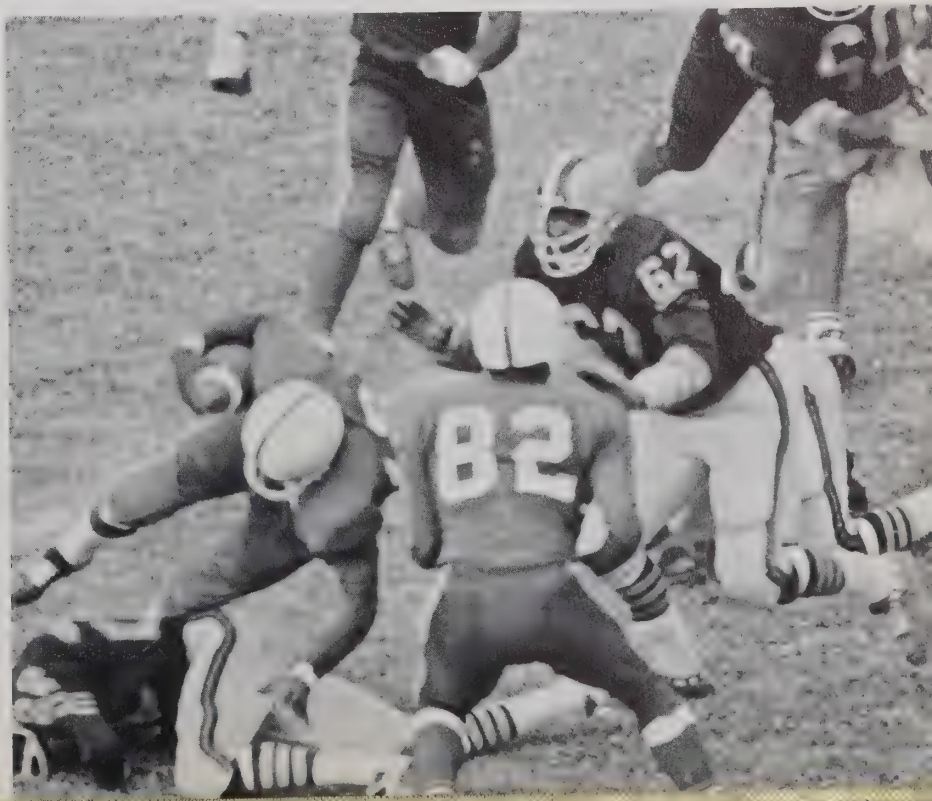

The Bulldogs scored on their fourth play of the game on a 44-yard run by flanker Willie Grate. Tracy Hodges kicked and the Bulldogs led 7 - 0.

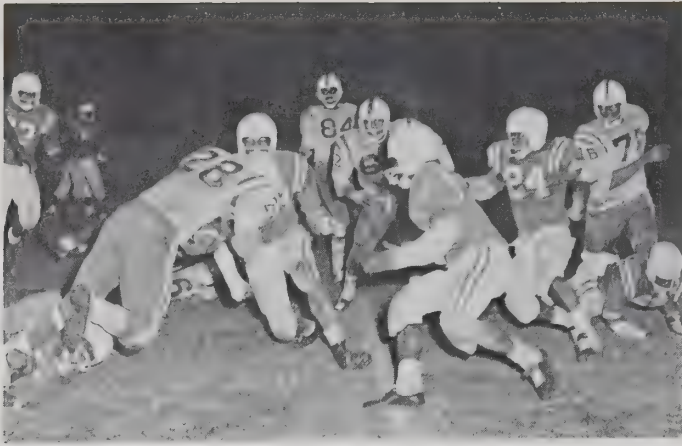

On the ensuing kick-off, halfback Vincent Nobles took a pitchout and went 94 yards to score. Gollins Smith ran for two points to put the Wildcats ahead 8 - 7. State scored twice in the second quarter on a one-yard plunge by quarterback Robert Davis and Hodges kicked, and Grate racked up his second tally on a 15-yard run. Hodges' kick was blocked.

With 55 seconds remaining the the half, freshman Alvin Wyatt picked off a Milt Nicholson pass and ran it back 45-yards to State's 18-yard line. Quarterback Ralph King put the Wildcats back in the game on an 18-yard run for the T.D. and passed to Willie Benjamin for a two-point conversion and the half ended 20 - 16. The Bulldogs struck again in the third period. Davis hit Bennie Blocker for a 15-yard pass play to cap an 80-yard drive and end the Bulldog's scoring for the evening with 9:13 left in the period. Five minutes later, Wildcat's Wyatt pulled in another State pass in the flat and went 30-yards to score.

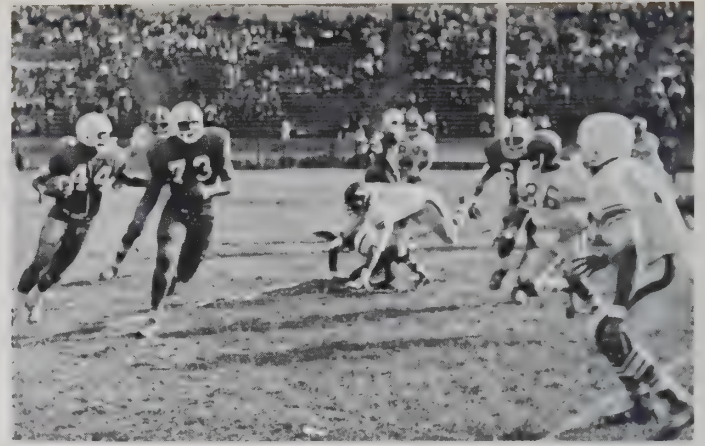

The running technique of "Stiff Arm" proves useful to Blocker as he makes it pass one would-be-tackler.

The end-sweep was a short and fruitless one. Maybe more blocking will appear next time fullback "Richie."

Big Ben runs hard and is stopped by a host of Broncos.

Gilliam finds the light for a while and big trouble in short yardage gained against the Wolverines of Morris Brown.

The Bulldogs, injury-ridden, were in trouble deep in their territory nearly all of the final period, but did rally following the final crushing Wildcat TD and crossed the mid-field marker, only to have another pass intercepted to seal their doom.

Orangeburg, S. C. Bulldogs Trample Hapless Fayetteville State "Broncos" 86 - 0

The South Carolina State College Bulldogs romped to an 86 - 0 victory over the Fayetteville State College Broncos in a non-conference game which was State's first encounter with the Broncos.

The Bulldogs scored with 10:47 left in the first period when Tyrone Caldwell, defensive tackle, fell on a loose

ball in the end zone. State went on to roll up to 70 points in the first half, then coasted the two final periods as Coach Banks emptied his bench.

The deepest penetration made by the Broncos was on the Bulldog's one-yard line, but the Broncos fumbled the ball which was recovered by defensive tackle John Brown, Fayetteville's fifth lost which ended the Broncos' hopes of reaching paydirt. The victory gave State a 5 - 2 record.

Atlanta, Ga. Bulldogs Down Wolverines 30 - 0, On Homecoming

Coach Oree Banks' South Carolina State Bulldogs gave the Morris Brown Wolverines a double dose of defeat while playing in Atlanta, Ga.

Leapart finds the end-sweep rather powerful when blockers appear and do something.

It was the Wolverines homecoming game and the Major Powell strong men were seeking their first win of the '66 season.

But the visiting South Carolinians drowned all hopes of getting a homecoming victory or a season win for the Purple Wolverines.

All SIAC candidate John Gilliam paced the Bulldogs over the winless Wolverines. Gilliam punched out two touchdowns and led the ground attack with 141 yards rushing.

S. C. scored in each quarter with Gilliam scoring the first touchdown on a 6-yard romp. Attempt for point after failed.

The Bulldogs next TD caught the eyes of the 6,000 spectators present when QB Milton Nicholson connected with end Joseph Wynns for a 68-yard TD. The PAT attempt failed.

S. C. State was in command at the half 12 - 0. During the final minutes of the third quarter, Bennie Blocker added another 6 points for the Bulldogs on a spectacular run of 7 yards. Again the PAT failed.

Gilliam scored his second TD in the first minutes of the fourth period on a 15-yard run to paydirt. PAT failed.

With 24 - 0, the game was placed on ice when QB Johnny Jones tossed a 32-yard pass to end Odell Sumter. PAT was no good.

Morris Brown became 0 - 7 with this defeat and left with hopes of a win over Clark College of Atlanta. South Carolina now sports a 6 - 2 - 0 mark and has a strong bid for the Southern Intercollegiate Athletic Conference Championship.

Orangeburg, S. C. Bulldogs Smash Tigers in Pumpkin Classic

South Carolina State College rolled over the Benedict Tigers 35 - 18 in the eighth Annual Pumpkin Classic on Thanksgiving Day to give them a 7 - 2 - 0 record for the season, and a 6 - 2 edge in the (Pumpkin) series.

The scoring began with State as the Bulldogs scored mid-way the first period on a 24-yard run by flanker Willie Grate and Tracy Hodges added the extra point to make it 7 - 0. But then the Bulldogs went flat and proceeded to play loose ball. They set up two Tiger scores in the second period when Benedict capitalized on two of five recovered fumbles and went on to score.

State went into the half with a scant 13 - 12 edge over the Tigers.

Johnny Brunson, senior Tiger back and the "Most Outstanding Player" in the 1965 Classic, scored all three Benedict touchdowns. The final Tiger tally came following a pass interference call which gave them the ball on the one-yard line. Benedict went for two-point conversions following each score and all attempts proved fruitless.

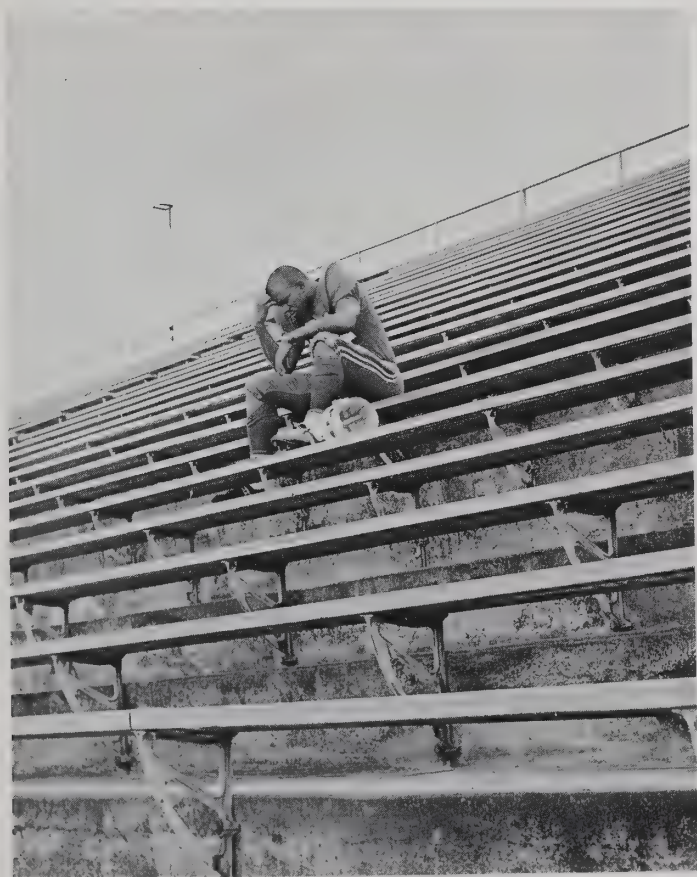

John Gilliam, senior and candidate for All-Conference honors, netted 141-yards rushing and scored two of the Bulldogs' tallies on one-yard and seven-yard scampers. Gilliam was voted "Most Outstanding Player" by the Benedict Coaches and was presented the trophy for such honor by R. L. Maerin of the Coca Cola Company.

Johnny Brunson won this coveted award for the Tigers to make it two-in-a-row.

The Bulldogs netted 334 total yards against the Tigers while holding them to 140 total after settling down in the second half.

R. C. Gamble went four yards off tackle for the final Bulldog tally with 45 seconds remaining in the game to seal Benedict's doom and bring down the curtain on an era; as for Benedict, the Tigers have played their final intercollegiate football game.

A weary Ben Blocker contemplates his contribution toward the team's 7-2 record.

Bulldog Cagers Repeat S.I.A.C. Visitation Championship and Berth In N.C.A.A. Southern Central Regionals

The school year, 1966-67 in athletics was full of pleasant surprises for South Carolina State College. The football started it all by handing the Rattlers of Florida A. & M. their first S.I.A.C. defeat since 1953. However, the biggest and most pleasant surprises were the Bulldog cagers who presented the school with its second straight S.I.A.C. Visitation Championship.

This team, following a 1965-66 squad that registered a 23 - 3 record the year before, started the season without four members of State's now famous 1966 "Starting Six." The only returning regulars were Guy Hughes and Bobby Lewis. The rest of the squad returning were unheralded with the possible exception of sophomore Early Cheesboro, who performed notably his freshman year.

The "Fighting Bulldogs" whose motto "We Try Harder," gave evidence of how team work, hustle, desire, and pride can pay great dividends. In most of their games the Bulldogs were outmanned but never outfought. Before the dust settled they became the talk of the S.I.A.C. Conference.

Getting off to what proved to be their path for the year, the Bulldogs upset the apple cart by defeating Claflin College and high scoring Voorhees College in the Colleges of South Carolina Tournament held in Denmark, South Carolina. This marked the Bulldogs fifth crown in the seven years of the Tournament. Bobby Lewis and Guy Hughes were named to the All Tournament Team. In these games the Bulldogs showed a strong hard nose defense led by Jimmy Hickson.

Coming back from the Christmas Holidays, which also marked the start of the new semester, Coach Ed Martin was informed that three of his outstanding freshmen had stumbled over the academic hurdle. Two were regulars and the other was also instrumental in the teams early success. This was a big setback and left little or no time for

adjustments. Even the most loyal supporters threw in the towel for the courageous Bulldogs.

The team's first encounter was the big, tough Wildcats of Bethune-Cookman College. Going into the last five minutes of play the Bulldogs were down by twelve points.

Coach Ed Martin uses half-time to set up team strategy.

Left to Right, Kneeling: Raymond King, Larry Reed, Vernon McQueen, Robert Lewis, George Bush, James Harris, and Larry Jenkins. Standing: James Hickson, Robert Davis, Jr., Guy Hughes, Dennis Kinnebrew, Carl Greenfield, Benjamin Blocker, Samuel Nails, Paul Johnson, and Early Cheesboro.

In this game they displayed the material they were made of by coming back to take this encounter by a score of 91 - 88.

From this point they ran a streak of eight straight victories before being upset by arch rival, Benedict. Along the victory trail before the Benedict upset, the Bulldogs had beaten Fort Valley State, Knoxville College, Tuskegee Institute, Florida A. & M., LeMoyne, and Bethune-Cookman.

Again they bounced back and moved out front from the pack in a very close race for the visitation crown. The Bulldogs had the rare ability to win on the road. They also were able to win the close ball games. They had squeakers with Savannah State, Tuskegee, and Fort Valley. Being behind at half was common for the fighting Bulldogs.

The S.I.A.C. was engaged in a tight race for the Visitation Championship with Clark, Florida A. & M., and Alabama State being the favorites. While they were fighting each other, the Bulldogs emerged with another successful road trip, beating Knoxville and LeMoyne to take all the marbles and winning the championship by two whole games. Their final conference record was 10 - 1.

Next came the S.I.A.C. Tournament, to be held in Tuskegee, Alabama. The eight selected teams were South Carolina State, LeMoyne, Lane, Clark, Florida A. & M., Bethune-Cookman, Alabama State, and Tuskegee. This tournament was full of upsets and the Bulldogs were beaten twice by good margins. Alabama State won in an overtime, 61 to 59. Florida A. & M. went on to beat Tuskegee in the finals for the S.I.A.C. Tournament crown.

Greenfield jumps high in efforts to block opponent's shot, as Guy Hughes awaits the block.

At the beginning of the season, these were the top five Hickson, Hughes, Goodwin, Cheesborough, and the "magic one" Lewis.

Little "Low" shoots two against Voorhees.

Cheeseboro later, tips two for State.

The crowd silences as Guy Hughes releases a sure shot.

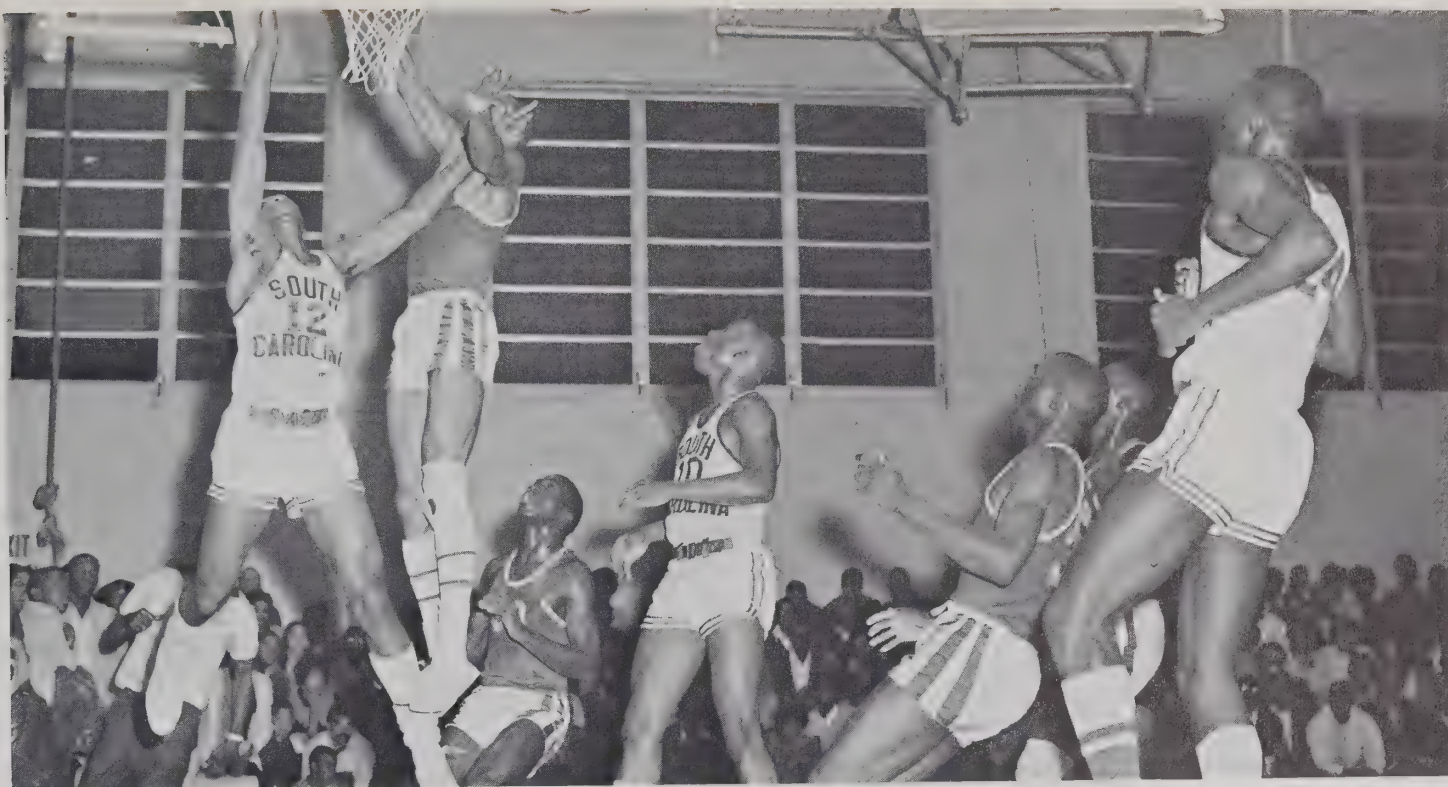

By virtue of winning the visitation championship, the Bulldogs received an automatic berth in the N.C.A.A. South Central Regional held in Evansville, Indiana. Other teams were Kentucky Wesleyan, N.C.A.A. defending champion, always powerful Tennessee State, and Stetson College of Florida.

The pairings found South Carolina State against Kentucky Wesleyan. Again State assumed the role of the underdog against the giant Tigers of Tennessee State. The Tigers started a 6'8", 6'9", 6'8", and 6'6" player. The best the Bulldogs could encounter was their tallest man, 6'6" Carl Greenfield, a freshman. Carl, however, turned in his best game by pulling in 20 rebounds against Tennessee and leading the Bulldogs with a 66 to 59 victory over the stunned Tigers of proud Tennessee State. Bobby Lewis, Guy Hughes, and Early Cheeseboro, State's big three in scoring, again, led in this department. Little Bobby Lewis electrified the crowd with his dazzling ball handling. The Bulldogs employed a stout defense led by Jim Hickson, who always stood out in this department.

State was thrown into the finals with the strong Kentucky Wesleyan. The Kentucky team, defending champion, returned with five starters from last year's team. Their balanced scoring, experience, and rebounding power were too much for the Bulldogs. State was outmanned but never outfought. The Bulldogs received the praise and respect of all who saw the two day affair.

Guy Hughes and Bobby Lewis were selected to the all N.C.A.A. regional team along with Sam Smith, Roger Cordell and George Tinsely of Kentucky. In a close ballot, Sam Smith was selected over Bobby Lewis for the tournament M.V.P.

Guy Hughes led the team in scoring with a 22.3 average, followed by Bobby Lewis with 19.6, and Early Cheeseboro with 16.2. Hughes also led the team in rebounding with 11.7 rebounds per game. Bobby Lewis set the pace in the essential assist department with 13 assists.

Cheeseboro on the blocking end of two points.

Jimmy Hickson was the team's number one defender and every game drew the toughest defensive assignment and always came out on top.

Sam Nails, always ready for the call, was the sixth man. Sam could always be counted on for all out job in the hustle department. He always came to play ball!

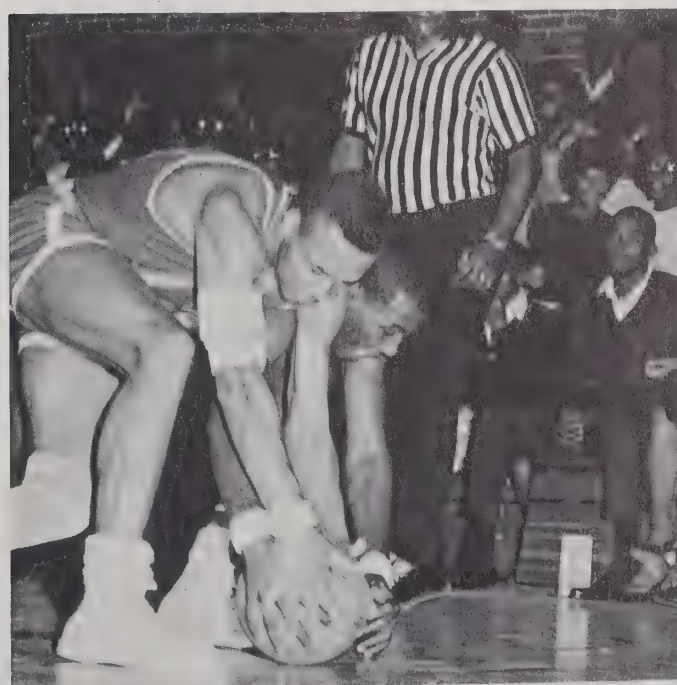

Carl Greenfield, a 6'6" center, the giant on the boards, was the team's outstanding freshman. Ray King and Jimmy Harris, freshmen, showed promise for the future.

The Bulldogs won games because they wanted to win. The 18 - 5 record was the result of hard work and unselfish sacrificing on the part of all individuals who made up the team. "They tried harder!"

Ray King releases for two points.

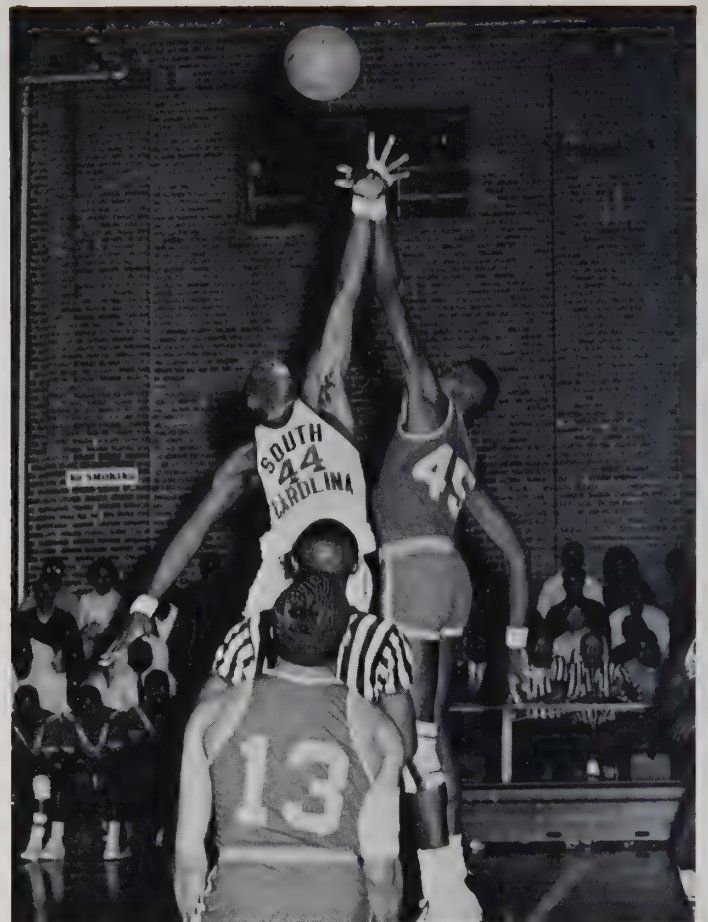

Hughes ties things up and gets a jump ball.

Ball up and the tip is off to start the clock.

Hughes utilizes the dipper-dunker form.

Little Lou shoots from the outside.

As the jumpball is called Cheeseboro tips to Hughes.

Helplessly watching the opponent shoot is Bush, Lewis, and Hughes.

Kinnebrew shoots two as Cheeseboro observes.

Golf - 1967

Golfers Look for Another Successful Year

South Carolina State's golf team lost but one match last season which was handed to them by the C.I.A.A. Champions, Winston-Salem by a score of $6\frac{1}{2}$ to $4\frac{1}{2}$. The Bulldogs defeated Howard University twice, North Carolina College, Livingston College, and Tuskegee Institute. State's number one man, Matthew "Demon" Turner was Medalist in every match except that one at Tuskegee where he was edged out by teammate Leroy Wheeler.

Low scorer for the team last season was Matthew Turner as he scored this against North Carolina College at Durham, North Carolina. The number three man, Larry Lawrence was high pointer. He ended the 1966 season with 17 of a possible 18 points.

Possessing much potentiality and with the fine supervision and coaching of Ollie C. Dawson, the newcomers along with the returning lettermen, Matthew Turner, Leroy Wheeler, and Larry Lawrence, are working hard and long in hopes of capturing the 1967 S.I.A.C. Conference Championship.

Netmen Have Hopes for Conference Title After Past Winning Season

Fifteen years had passed and the determined netmen smashed their first winning season with determined members making last year's season the most successful, and again anticipate another winning season.

With only one letterman returning, Coach Oree Banks finds his team composed of little experience but much potentiality. He believes that this season will be a highly successful and inspiring one. The team is led by Captain Charles McClinton, who along with other netmen are smashing for a conference title.

Tankmen Capture Second Place in S. I. A. C. Conference as Coach Holmes chats "Few in Number but Mighty in Strength"

Coach Roosevelt Holmes giving divers instructions. Herbert Gilliard, Coach Holmes, Andrew Grant.

In spite of being out numbered in every meet, the small band of tankmen managed to finish the season with an impressive 7 - 2 record and also to rank second in the S.I.A.C. Conference. And again for the second consecutive year, Coach Roosevelt Holmes was named Coach-of-the-Year.

Coach Holmes thinks the reason for the team's miraculous success is togetherness in a common objective—devotion to the team and a fervent determination to win.

In this past season the tankmen have journeyed to Greensboro, N. C. where the Bulldogs captured eleven of twelve events from both Johnson C. Smith University and the

Aggies of A. & T. College. This marked the sixth and seventh victories for the team.

South Carolina State College tankmen took over victories as they ventured to Alabama State in Montgomery and Tuskegee Institute in Tuskegee. Against Alabama the Bulldogs racked up 95 points to their 5 by taking first in each of twelve events and taking nine first-place spots from Tuskegee to defeat them 80 - 24.

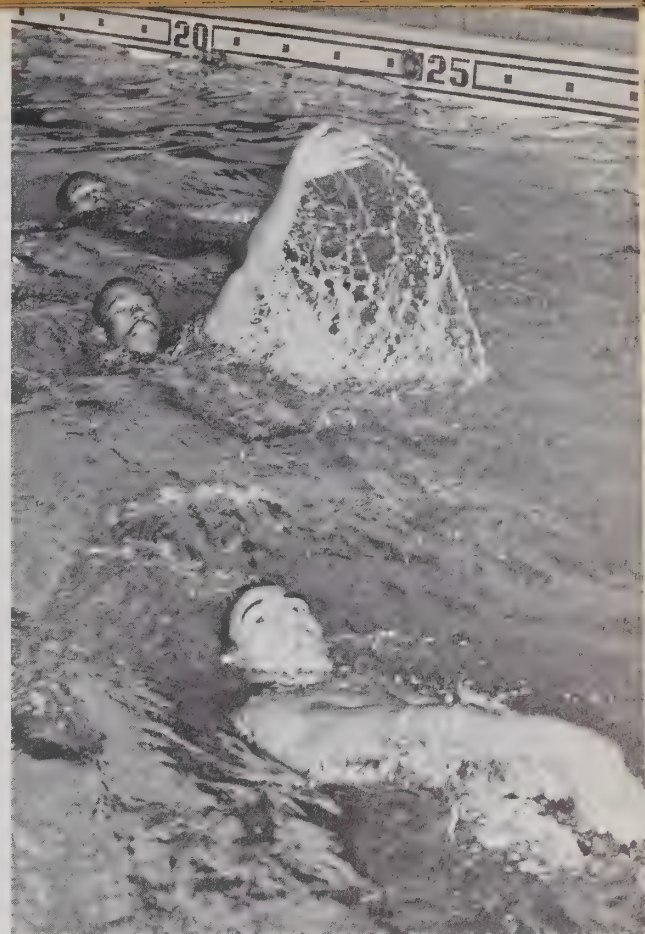

This ended the second year in which the determined tankmen have been successful in capturing the second place conference title.

Track and Field-1967

The crack of the starter's gun, the sound of driving spikes moving down the cinder-covered lanes, the roar of the home crowd, and the breaking of the finish tape—this is what to expect at any performance made by Coach Willie Shamblee's thin clads.

Track, being one of the most demanding sports at S. C. State College, calls for hard training, stamina, "heart and pride." But each of the men involved in this soul-searching sport is in a game and ready for the competition.

First-year Coach Shamblee who comes to S. C. State from Cleveland, Ohio by way of Jackson State College, Mississippi along with his assistant, Coach Melvin Pete, has shaped up both freshmen and upperclassmen who never ran track before, a team that will hold its winning own in any meet. To prove this the fleetfooted runners have already captured one meet in Columbia, S. C., scoring 57 points over Knoxville College's 24, and Benedict College's 8, taking 8 out of 9 first places. The team also placed third at J. C. Smith of Charlotte, N. C., with Allen University, Benedict College and the University of North Carolina.

This is how the events are broken down to the Bulldogs: 100 yd. dash, 220 yd. dash, 440 and 880 yd. relays; William Stewart, Robert Hymes, and James E. Johnson, 440 yd. dash, mile relay: Jackie Kennerly, Rufus Ragin, and Henry Lawton. Two mile run and two mile relay: Harold Thompson, Charley Jordan, William Stackhouse and Walter Rosario. Hurdles and dashes: Cornelius Gadson and Allen Chavis. Pole vault, 880 yd. relay: Melvin Gooden. Javelin: Cleveland McBride. Mile run, 880 yd. run: James Washington. 440 yd. dash, 220 yd. dash, and broad jump: Joseph Wynns. 440 yd. dash, 880 yd. relay, 880 yd. run; Milton Nickolson. One mile run, 880 yd. run, and 440 yd. dash: Jordan Simmons, III. The team is led by junior captain Jordan "Mort" Simmons, III.

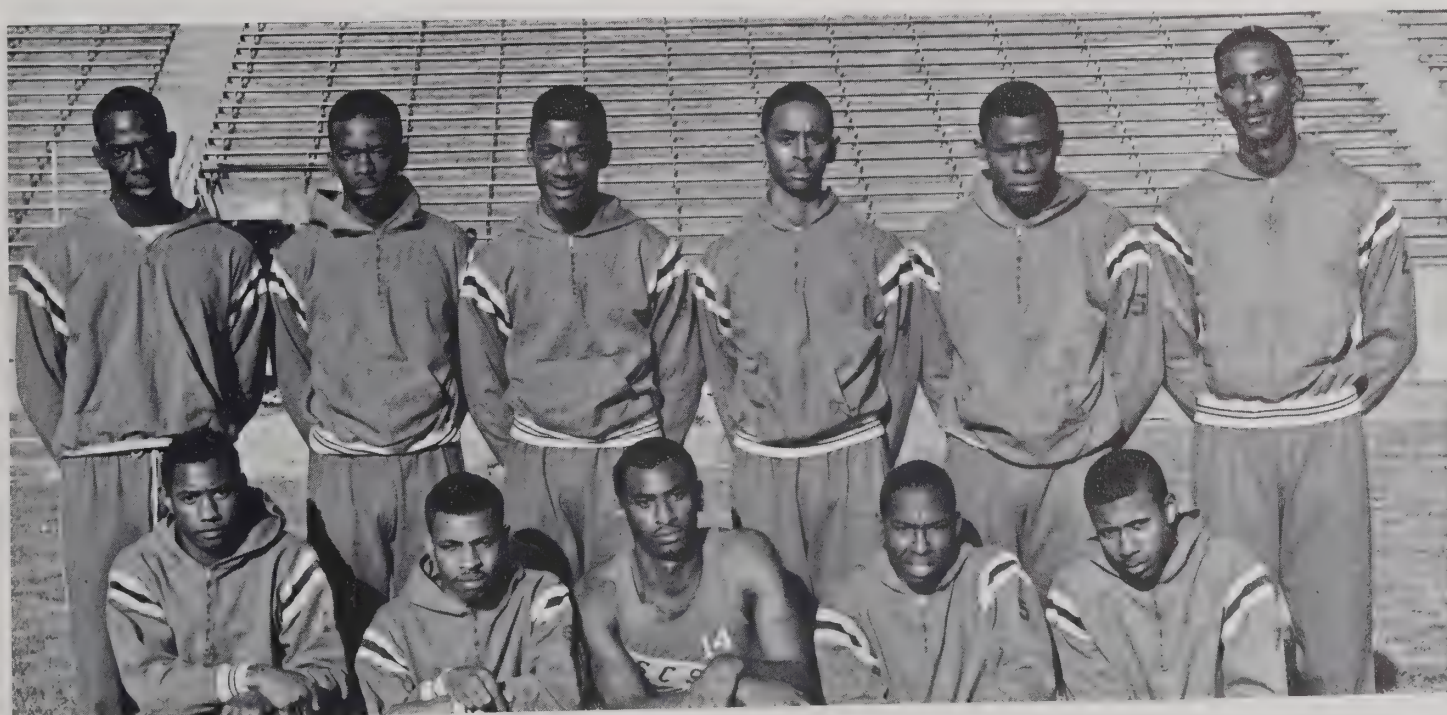

Spectators in the stands can expect lots of fast action from the Bulldogs, because as Coach Shamblee puts it, "We're going to hurt somebody."

Coach Willie Shamblee chats cinder talk to captain Jordon Simmons.

Baseball - 1967

Bulldogs Face Tough Task Retaining S.I.A.C. Crown

The S. C. State Bulldogs defending SIAC champions will face the 1967 baseball campaign minus seven regulars.

Baseball experts claim pitching is 90% of a team's production. If such is the case, State is in bad shape. The total number making up the Bulldog Staff is exactly three. This is probably the smallest in the conference.

Heading this group will be senior Johnny A. Jones, the premier pitcher in the conference. Backing him will be sophomore Tyrone Jackson and junior Bishop Garrison. Jackson was a part time performer last year and Garrison is a converted catcher. All three are right handers. To have any type of rotation in the pitching chores the staff will have to perform above expectations.

Catching will be handled by Sam Nails, Johnny A. Jones and Junior Wade. Nails served as the backup man last year and is the only backstop with any experience. None of the three present any real threat with the bat. It is hoped as the season goes on they will develop in this area.

The infield will be strong on both ends with Tracy Hodges on third and Willie McCants on first. Both players have experience and can make contributions defensively as well as offensively.

The middle of the infield will be manned by newcomers. Shortstop will be handled by Jim Gordon. Jim has good baseball sense and has good power. Tony Harris will be at second. Tony can hit the ball and is improving on his pivot play. His main contribution is his desire.

The main backup man for the infield is Frank Talley. Frank is at home at all infield positions except first base, and his hitting is improving.

Probably the team's strongest points is its outfield. Paul Johnson, a real slugger heads this array. Last year Paul hit .436 and was an all conference selection. He is an outstanding pro prospect as a center fielder.

Willis Ham, George Bush and freshman Larry Taylor are the other outfielders. Ham is a jack of all trades, having played all infield positions last year in the team's champion-

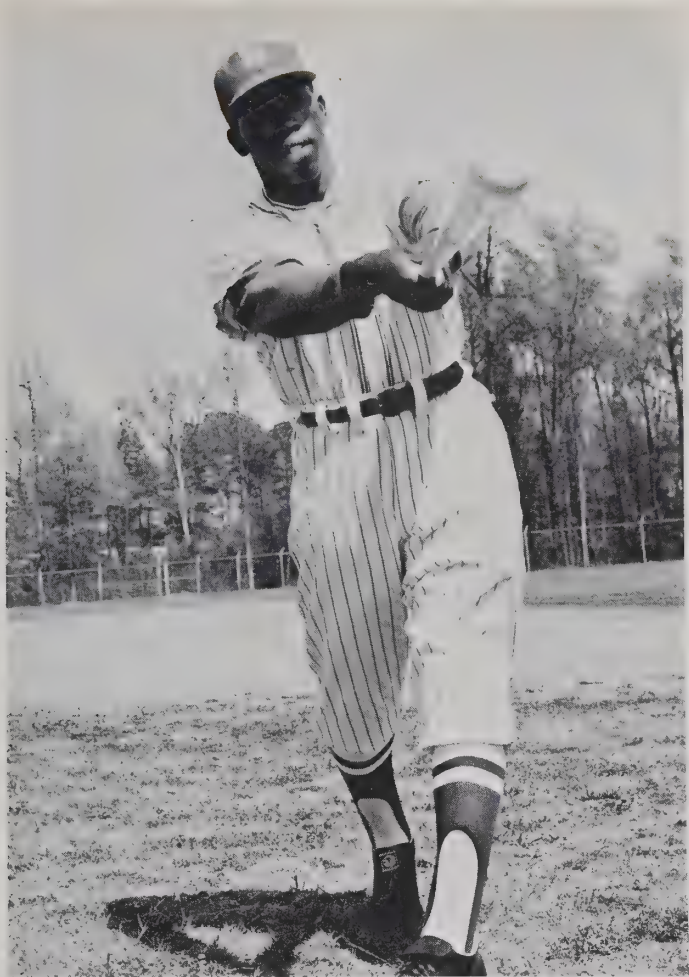

ship year. Ham is the only right handed hitter among the outfielders. The outfielders can hit and possess the team's speed.

Teams to beat in the conference will be Florida A & M, Alabama State, and Allen University. Florida A & M is the pre-season favorite with a veteran team returning.

For the Bulldogs to turn in a five hundred season would be a tribute. One thing for sure the charges of coaches Ed Martin and Roosevelt Holmes will be always fighting and playing heads up baseball.

Morris-Brown's runner is safe at first as McCant's stretches.

Epilogue

This catastrophic year has come to an end, and may it rest in peace! Starting with a most confusing registration, the academic year proved to be a very unusual experience for administrators, faculty, and students. With a year so filled with activities, it has been impossible to include all that has happened in this year's edition, for many events occurred too late for publication; however, with the facilities at our disposal and the time that we had available, we have tried to record as accurately as possible the record of a year at our ever growing, ever changing institution. This year we have attempted to make some improvements. We have, for instance, pictured each student and faculty member individually, thus increasing the value of the yearbook as a memory book as well as a record book.

The publication of a yearbook requires the cooperation and hard work of all people concerned with, or affected by, its publication. Unfortunately, this year, we are hindered by many circumstances. For six weeks, the senior members of our staff were absent performing their Directed Teaching duties. During this period "The Cause" appeared. "The Cause" caused a work stoppage. After matters were "settled," several staff members were seen no more in the yearbook room. About this time the secretary suddenly departed on leave for reasons unknown. When she returned, the unknown reason proved to be her marriage. In addition, writeups from organizations were no longer to be expected, and the already overworked staff found itself SEARCHING the calendar for activities, or worse, copying writeups from last year's yearbook, which had been copied from the book before the last one.

A combination of all these things caused confusion and frustration to reign in the Bulldog Room. The sports editor lost his customary grin, the few remaining loyal workers were about to become enemies for life, and the coordinator

went on tranquilizers. The arrival of two newly appointed members of the Faculty Advisory Committee, whose nerves had not as yet become frayed, saved the day by working diligently, alleviating the tension and bringing a semblance of balance when needed. My everlasting thanks to them.

As is true in any publication, there are those who deserve special recognition. Mr. Ira B. Davis who is undoubtedly the most dedicated coordinator in the yearbook business deserves special credit for his patience and endurance. Mr. Cecil Williams, our creative and expert photographer, aided by his boy "Friday," Mr. William Bryant, is due commendations, beyond our ability to give them, for what will be a yearbook without beautiful pictures? Mrs. Ida Green and Mr. Raymond Gaffney must be recognized for their understanding and cooperation for many were the times when we had to seek their permission to remain the Center long after the closing hours. I would like to express my thanks to the Yearbook Committee, Mr. M. Maceo Nance and especially the two new members, Mrs. Gloria Washington, a wizard at the typewriter; and Mr. Edward Pitt. They came when they were needed most—and needed they were. We are indebted too, to our publishers and especially to Mr. E. T. O'Cain and to Mrs. Brown, his secretary, for their willingness to help at all times and to extend their deadlines until they were indeed dead.

I must say a special thanks to our advertisers, they aided in no small way to the success of our publication. We are certain that our readers will avail themselves of their services whenever possible.

Finally, on behalf of the yearbook staff and as Editor-in-Chief of the BULLDOG, I would like to express my sincere hope that you will enjoy this edition, and in years to come on a cold winter's evening, as an old grad, you can dust off this edition, and take a pleasant trip down memory's lane.

DELORES "DEE DEE" WILSON,
Editor-in-Chief.
